The background of the slide is a composite image. On the left, the dome of the United States Capitol building is visible, partially obscured by a diagonal yellow-to-blue gradient. On the right, a large American flag is shown waving, with its stars and stripes clearly visible. The overall color scheme is dominated by blue and yellow.

Securing the Border

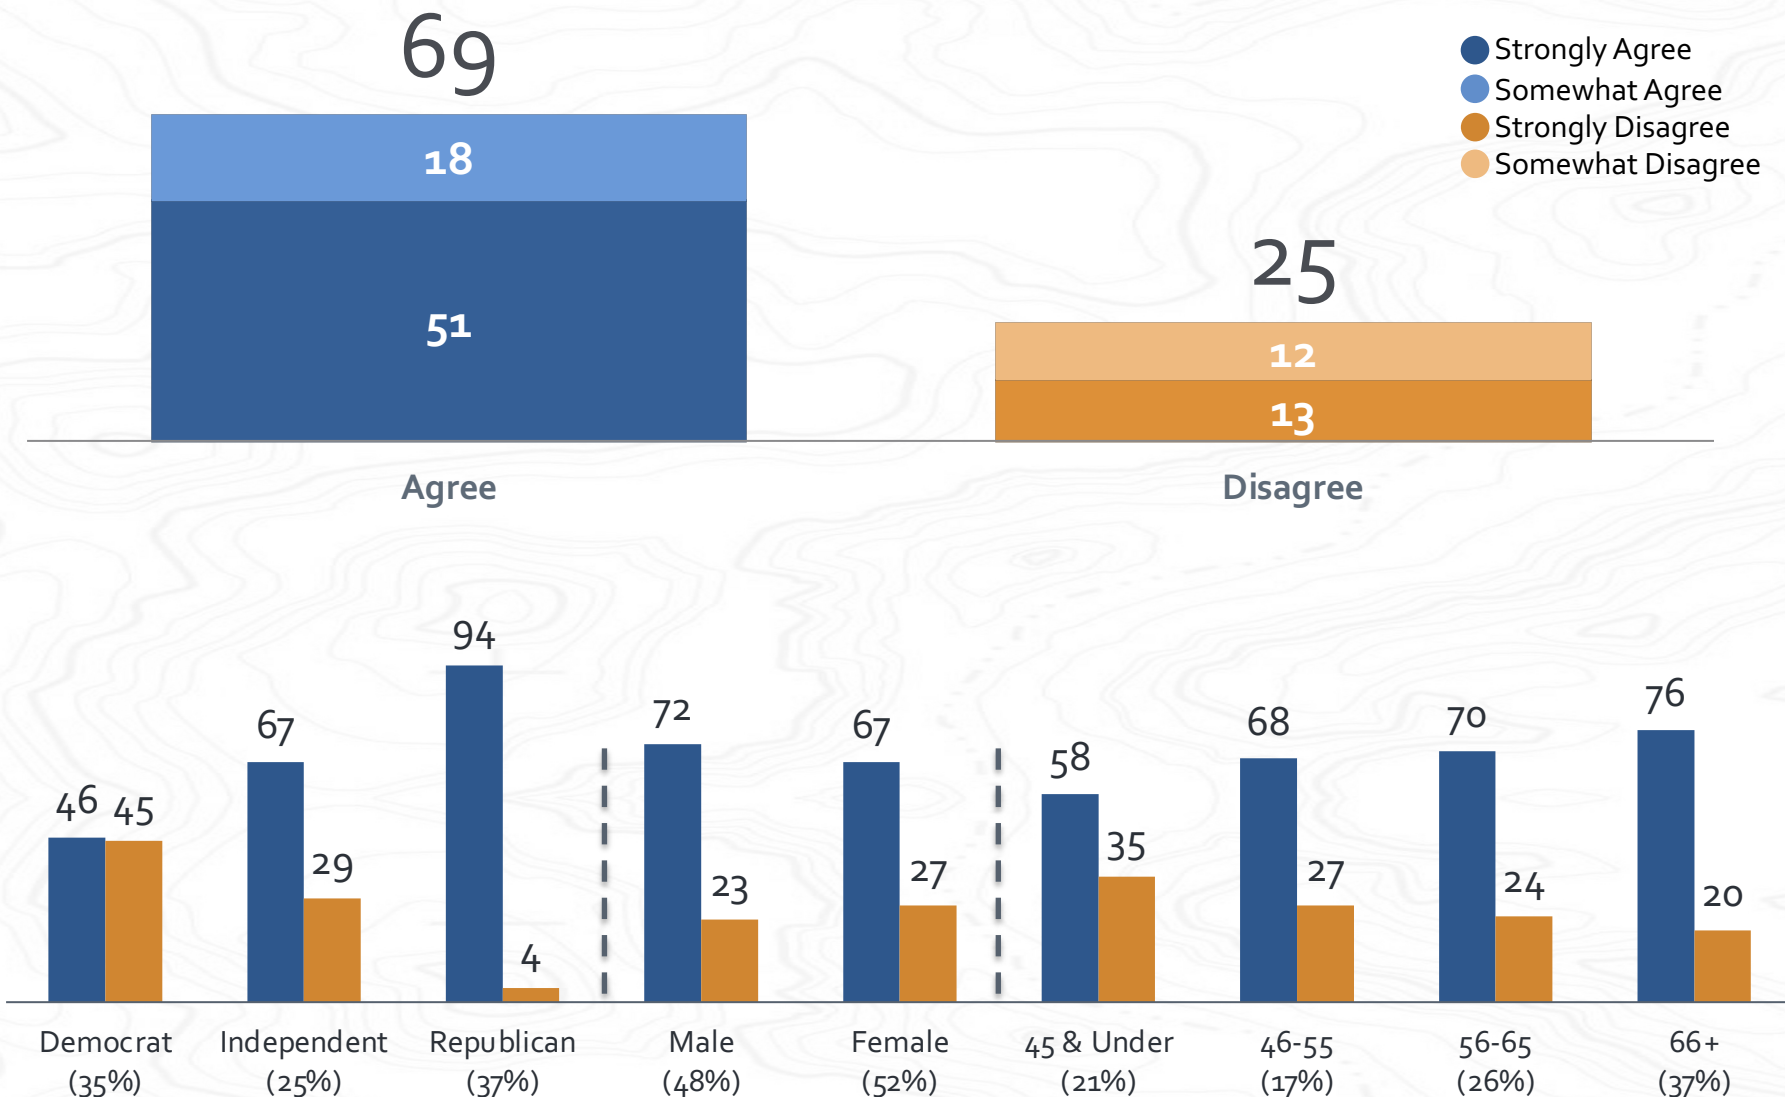

Thinking about policy priorities for Congress, would you be more or less likely to support your elected officials in Congress if they prioritized securing the southern border?

SECURE THE BORDER IMPACT

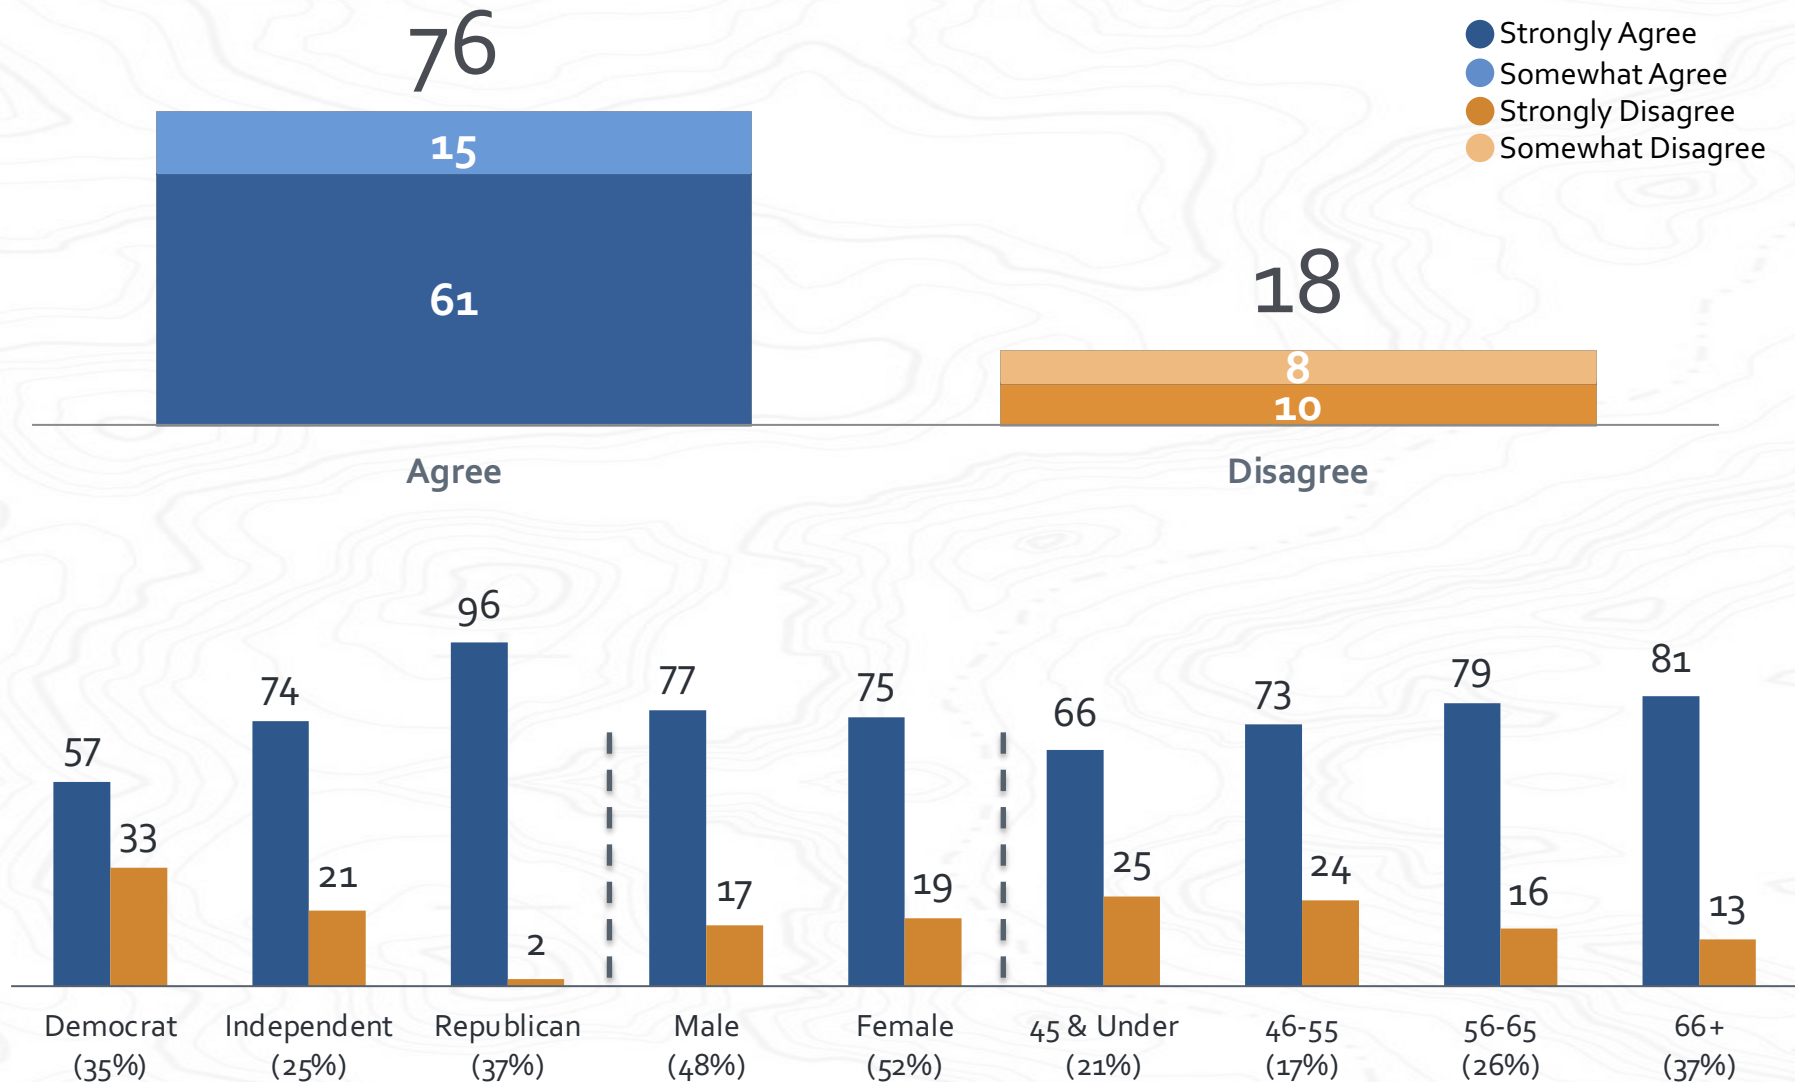

FINANCIAL BURDEN OF ILLEGAL IMMIGRATION

Thinking about illegal immigration and our southern border, please tell me if you agree or disagree with the following statement:
 "We should secure the southern border so that the federal government no longer has to carry the financial burden of mass illegal immigration."

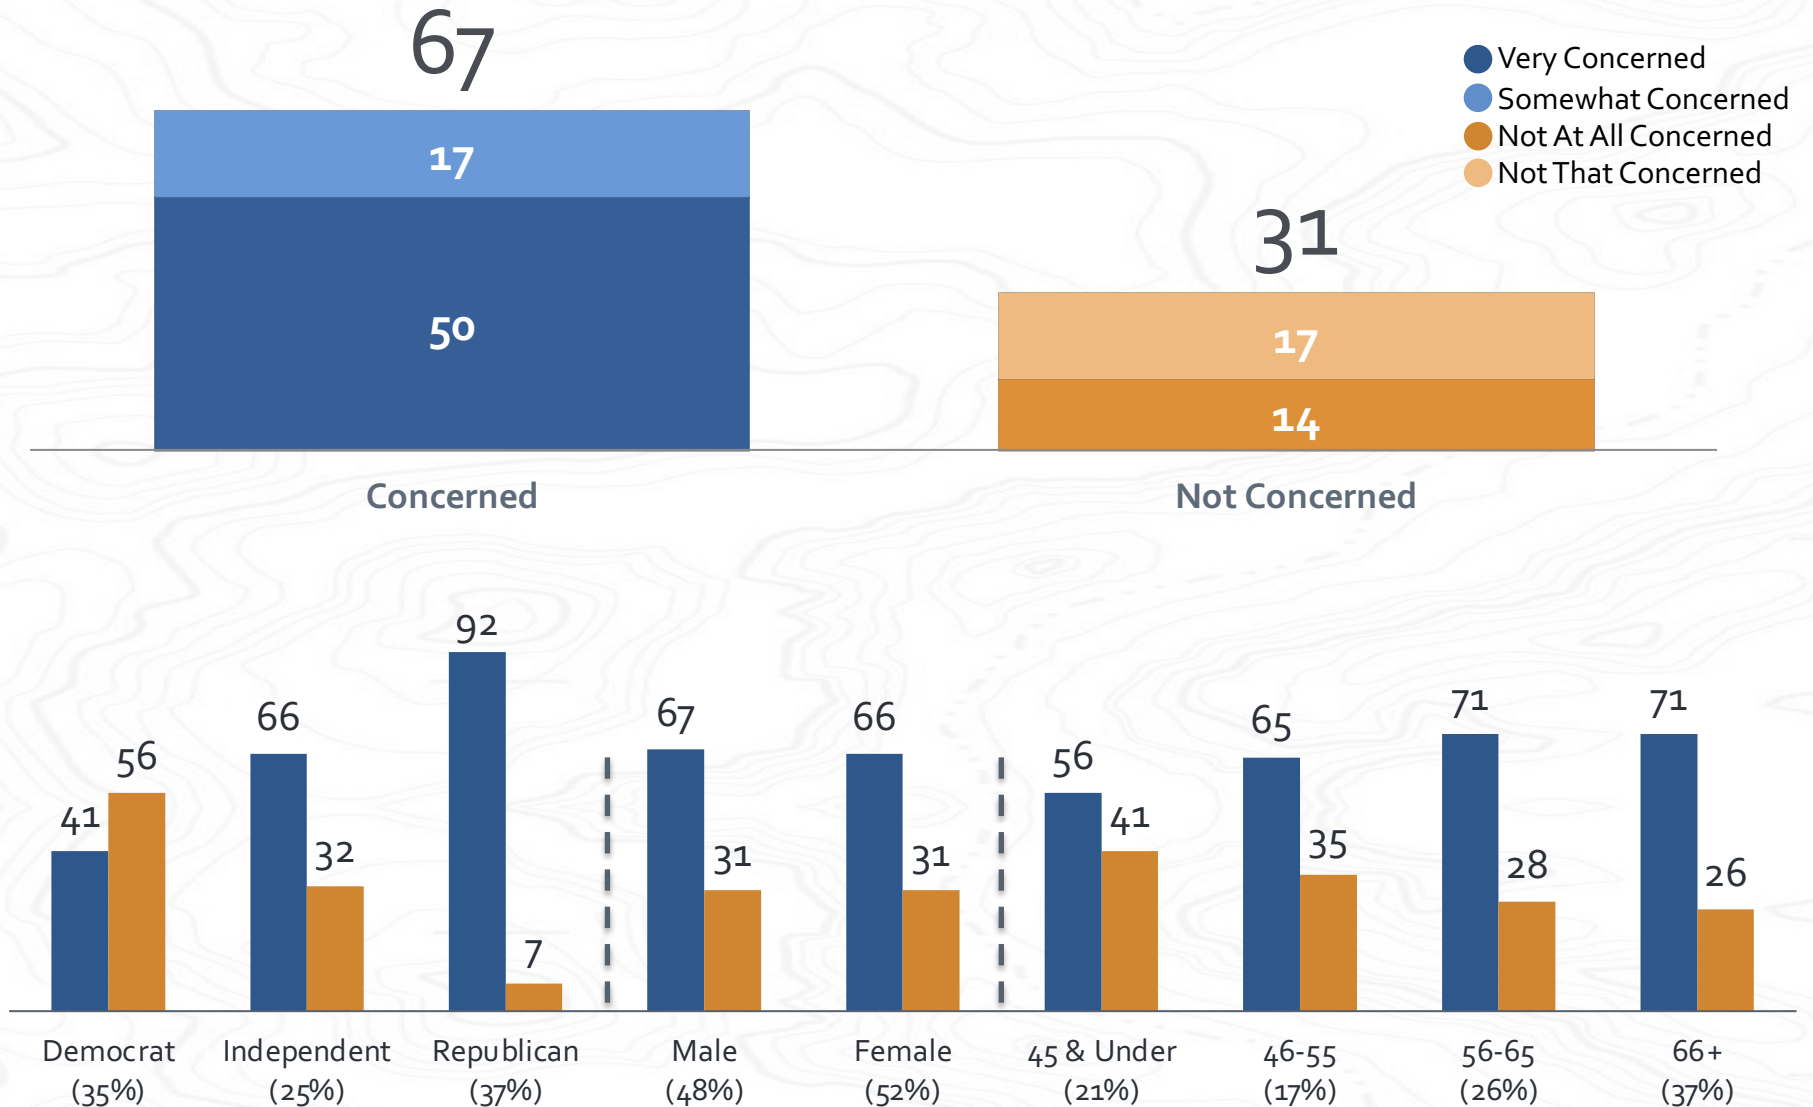

END THE CRISIS

Thinking again about illegal immigration and our southern border, please tell me if you agree or disagree with the following statement:
 “Federal funding for border security should go towards solutions that end the crisis, instead of continuing to fund programs that enable or support illegal immigration.”

Thinking once more about illegal immigration and our southern border, how concerned are you about the border crisis driving up federal spending and draining resources?

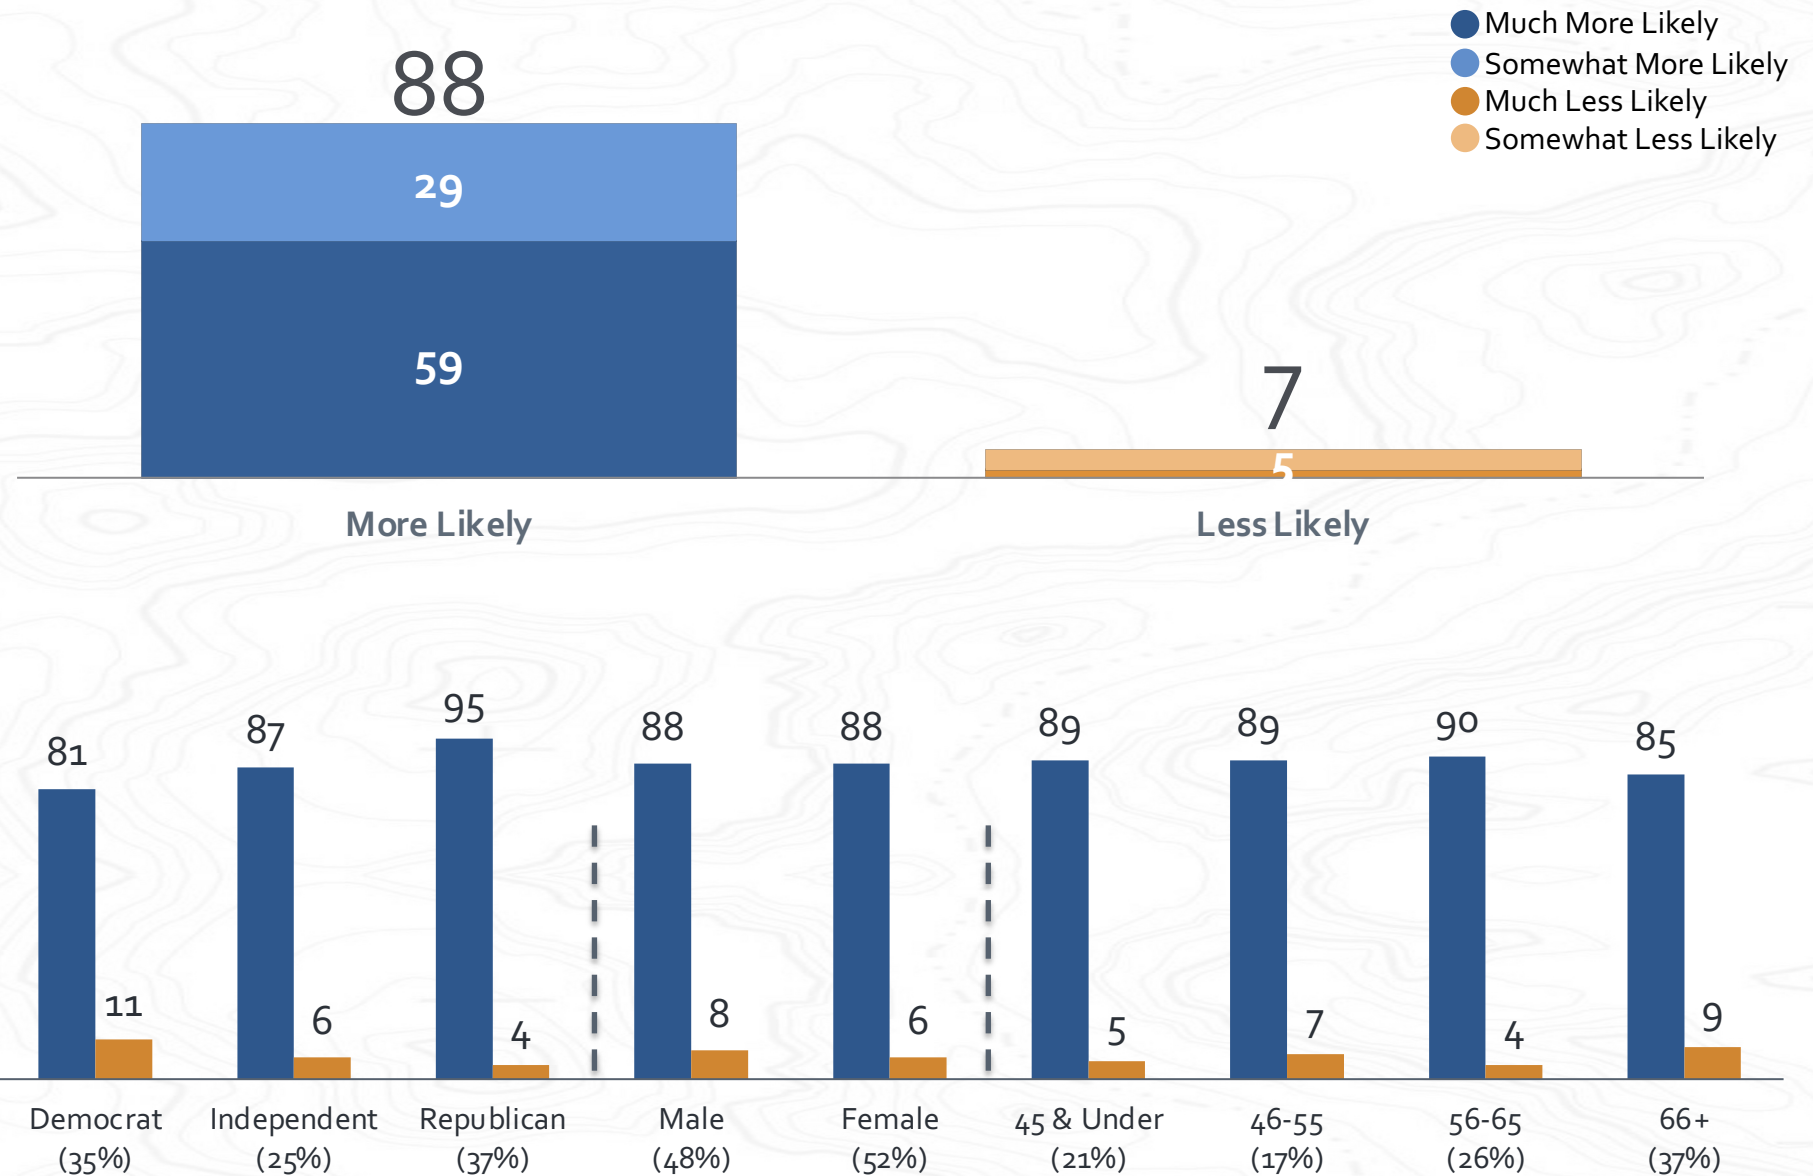

DRAINING RESOURCES CONCERN

Reducing Inflation

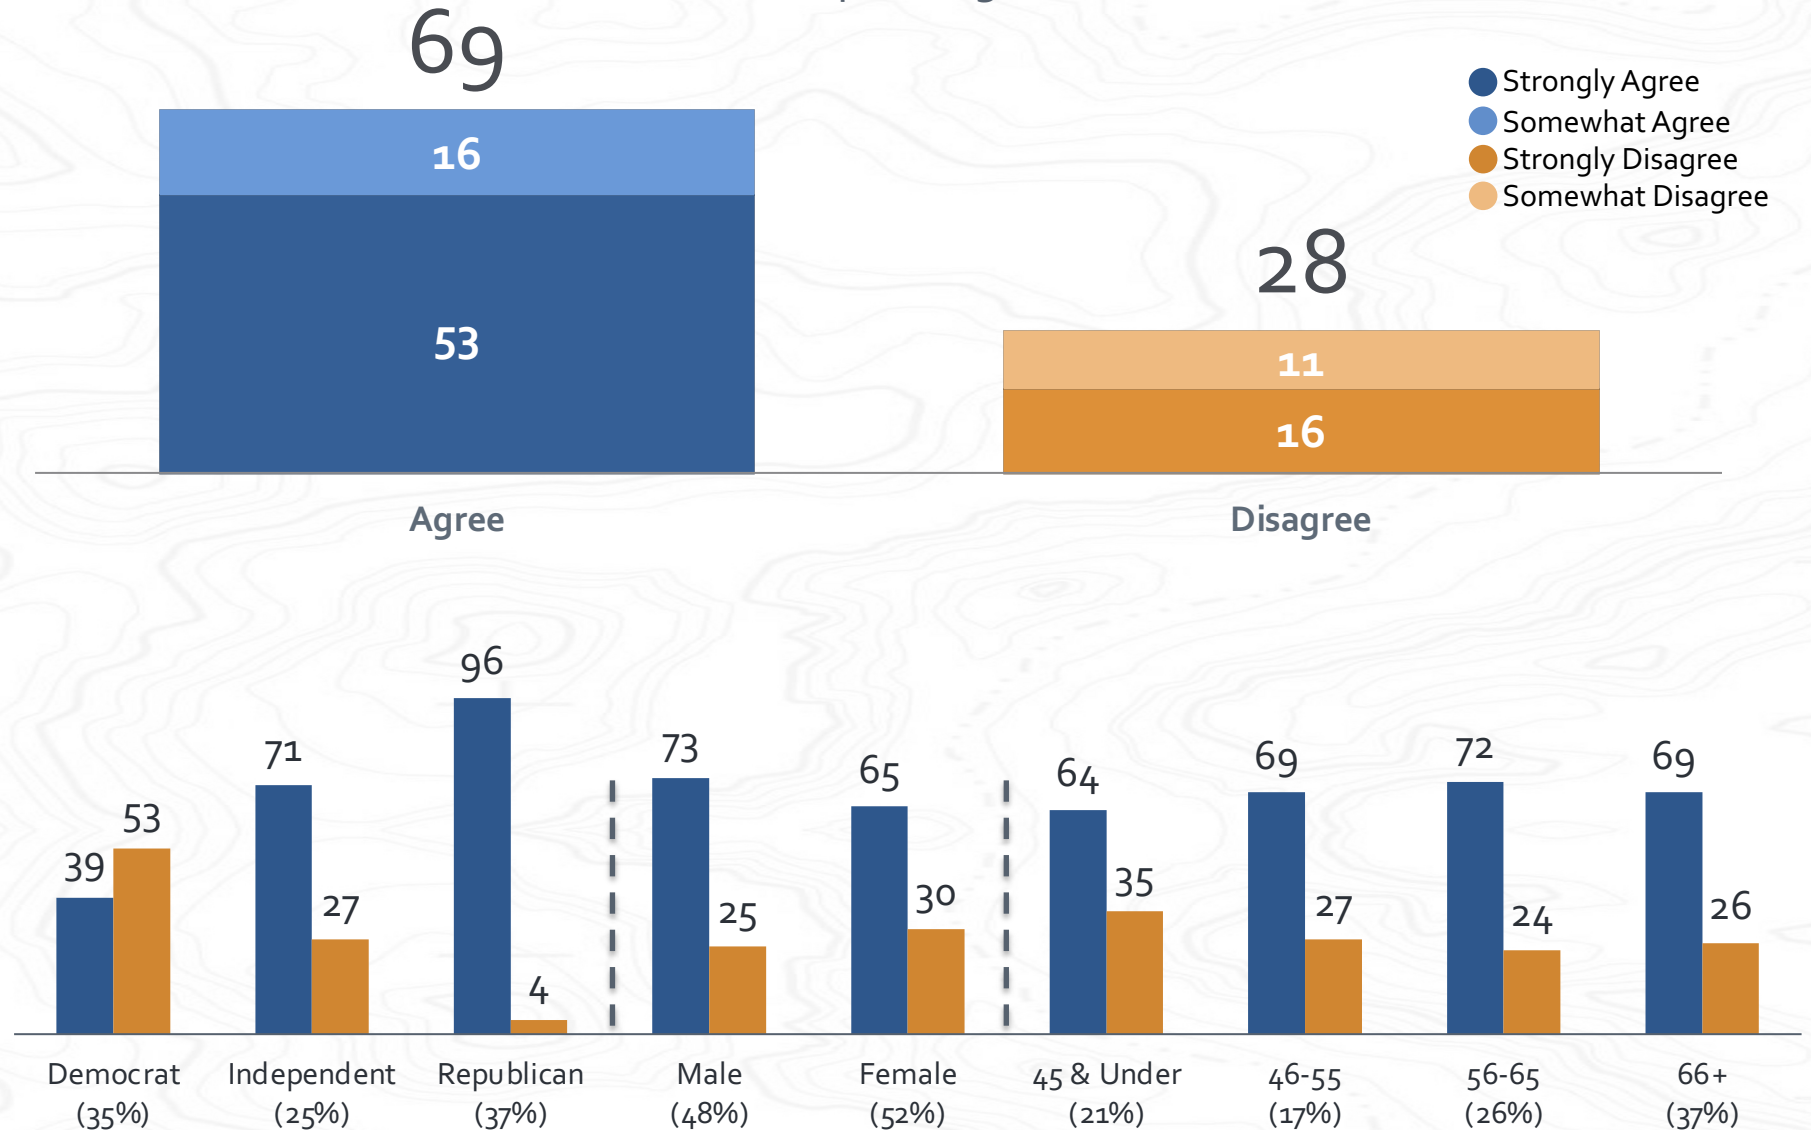

Thinking again about policy priorities for Congress, would you be more or less likely to support your elected officials in Congress if they prioritized reducing inflation?

REDUCING INFLATION IMPACT

MUST REDUCE SPENDING

Thinking again about inflation, please tell me if you agree or disagree with the following statement:
"Excessive federal spending is a driver of inflation which hurts American families. Federal spending must be reduced."

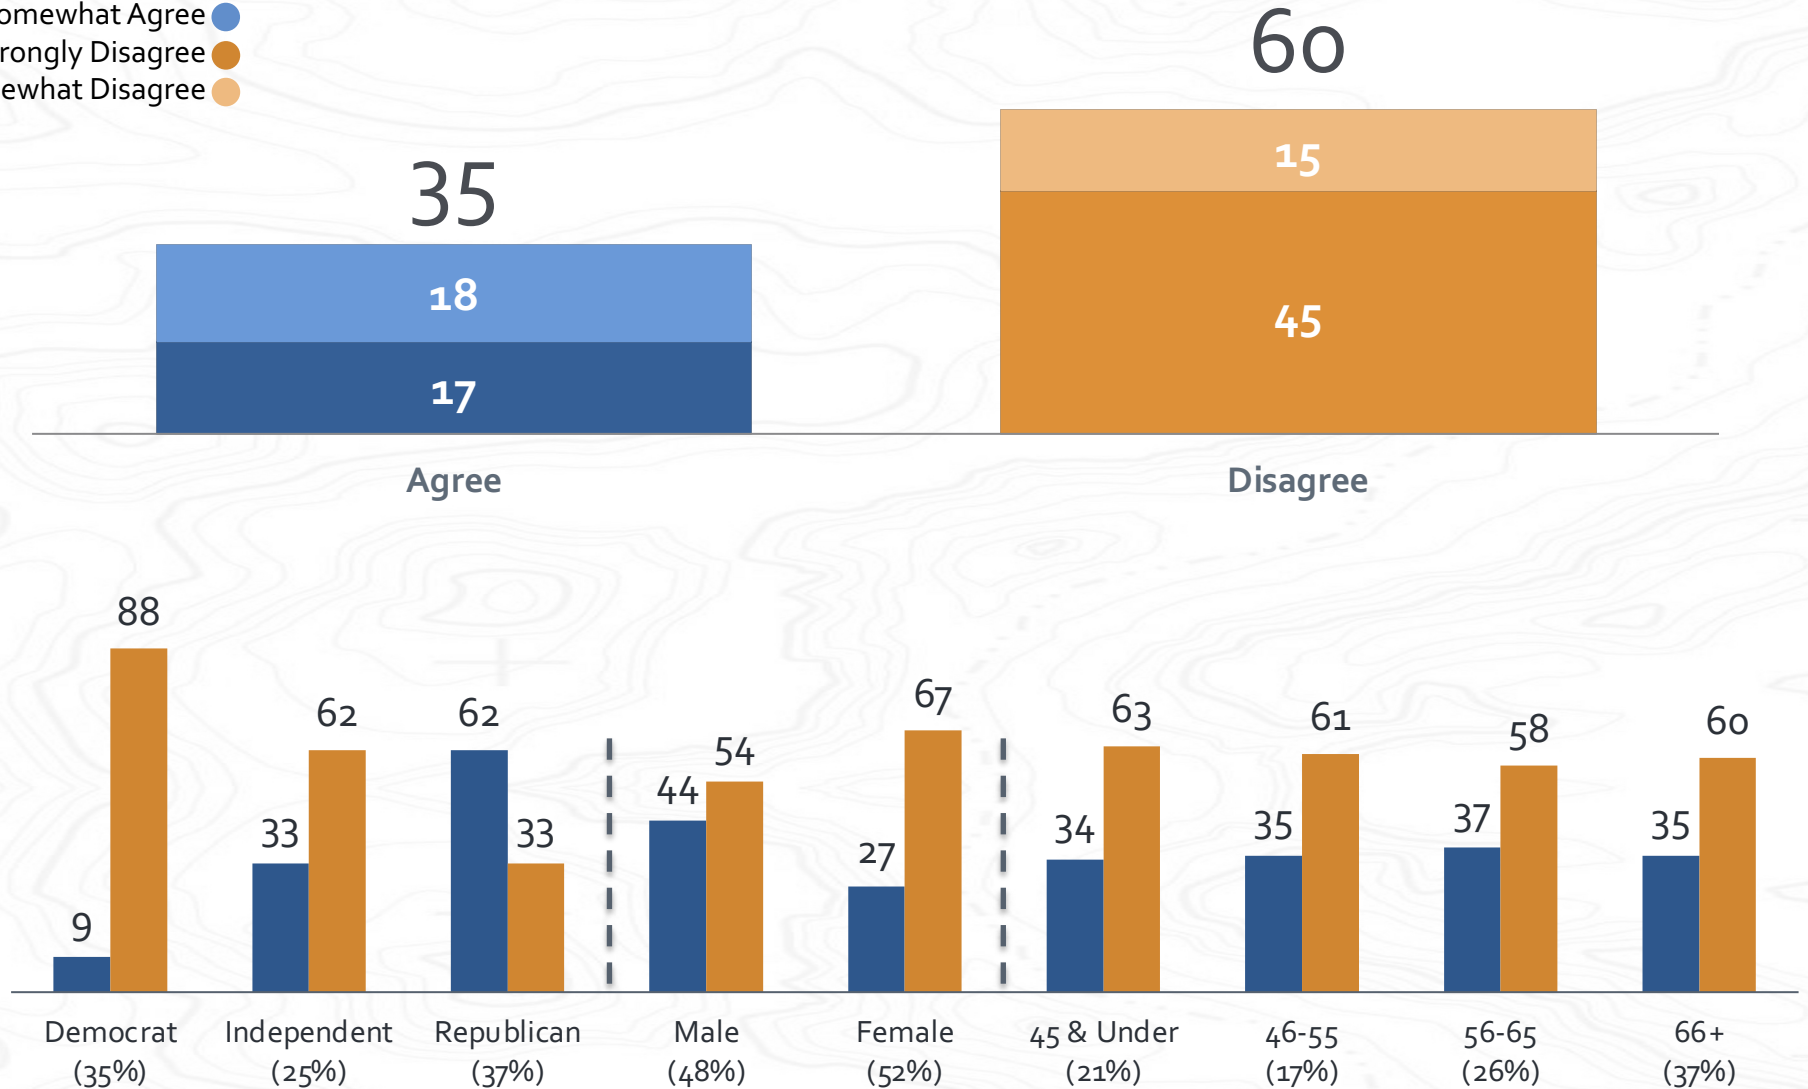

Thinking once more about inflation, please tell me if you agree or disagree with the following statement:

"One place Congress should look to cut excessive spending is in social welfare programs like Food Stamps."

CUT WELFARE SPENDING

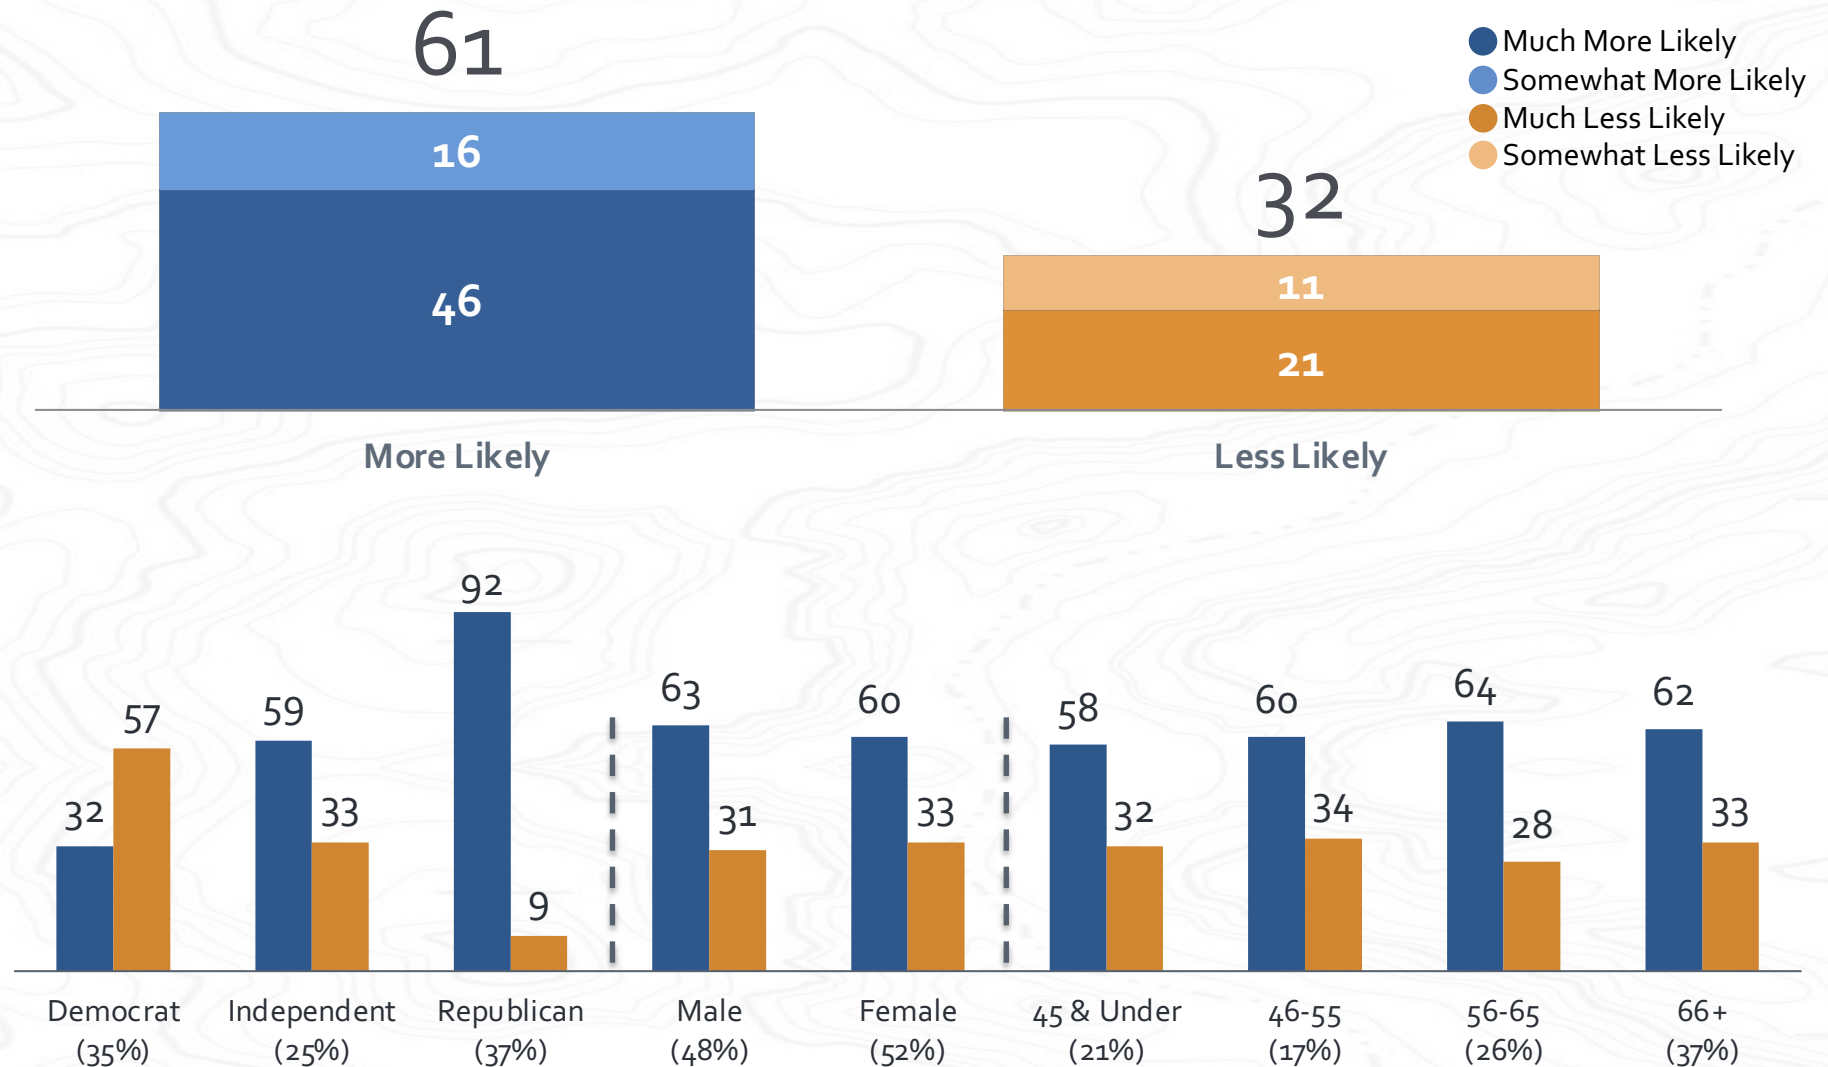

Extending the TCJA

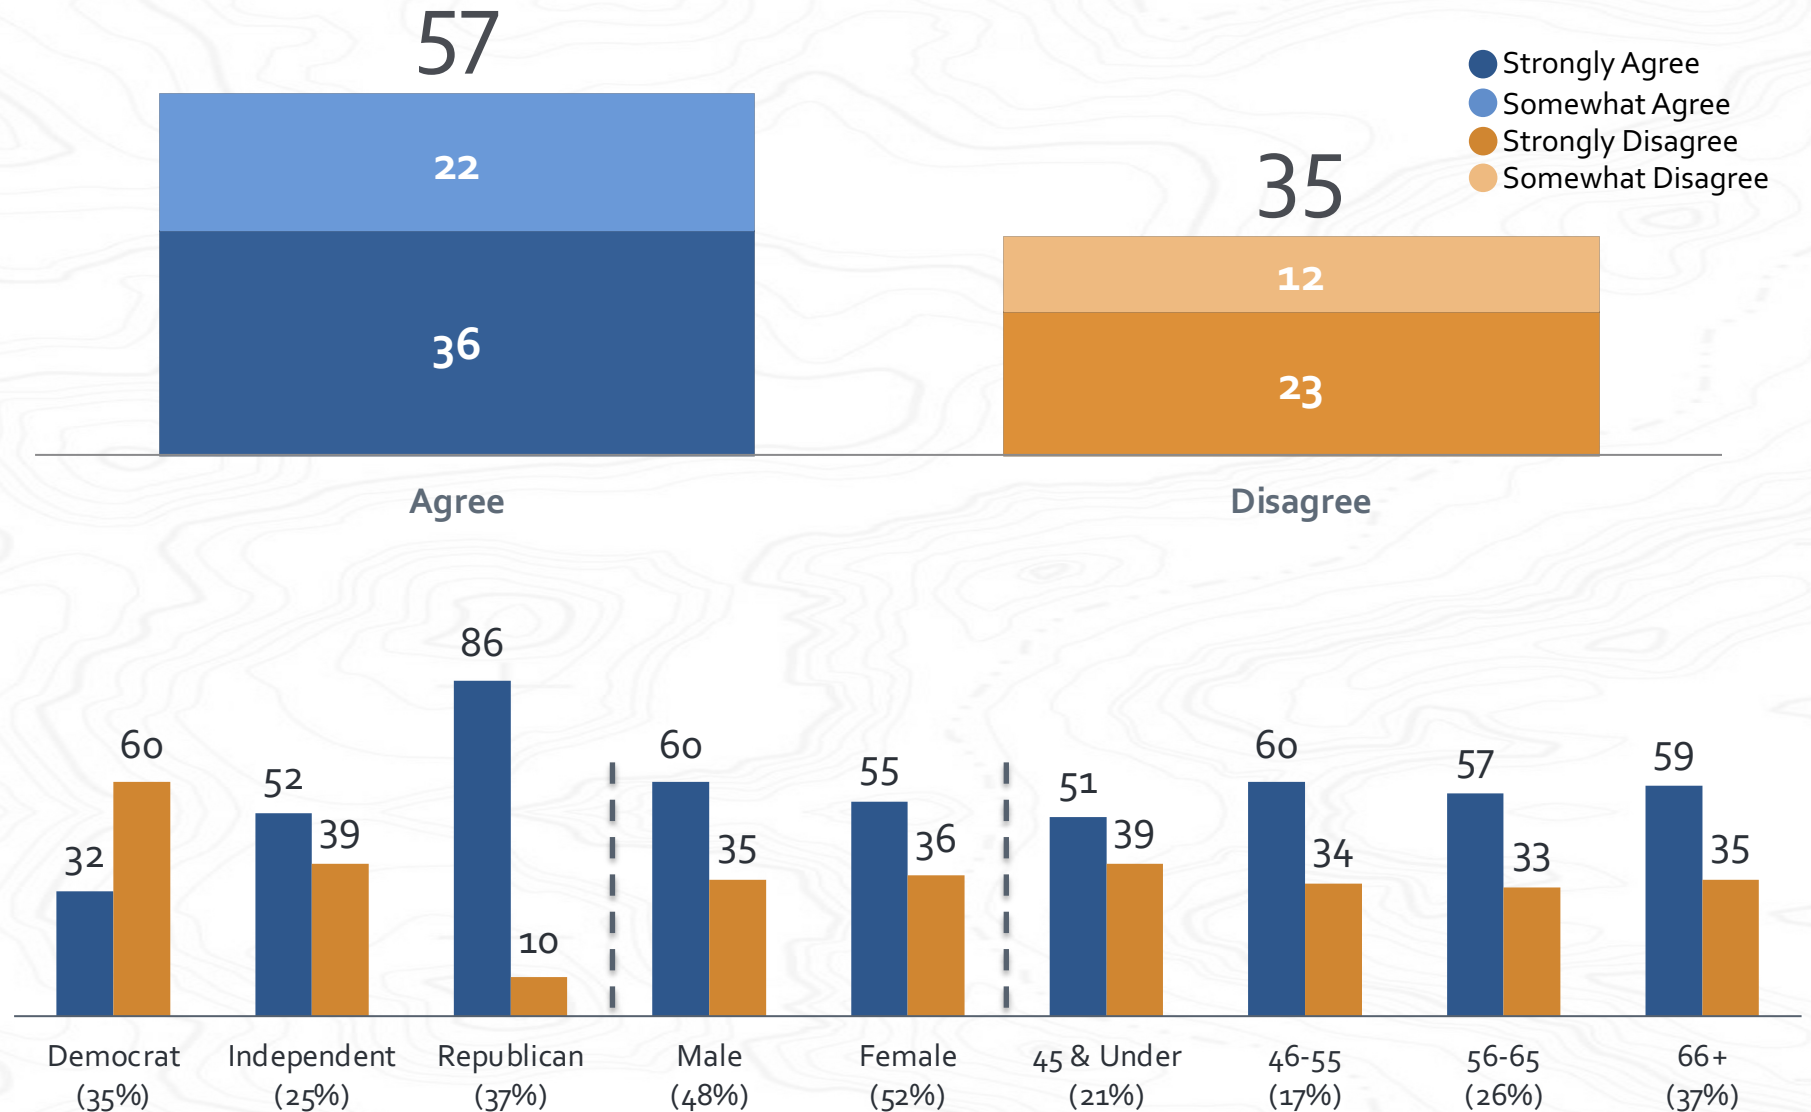

Thinking again about policy priorities for Congress, the Trump administration's Tax Cuts and Jobs Act (TCJA), which lowered tax rates, is set to expire. That would cause taxes to go up for nearly every American. Would you be more or less likely to support your elected officials in Congress if they prioritized extending the tax cuts?

EXTENDING TCJA IMPACT

Thinking again about tax cuts, please tell me if you agree or disagree with the following statement:
 "Stopping the coming tax increase is the best way to help Americans by growing our economy."

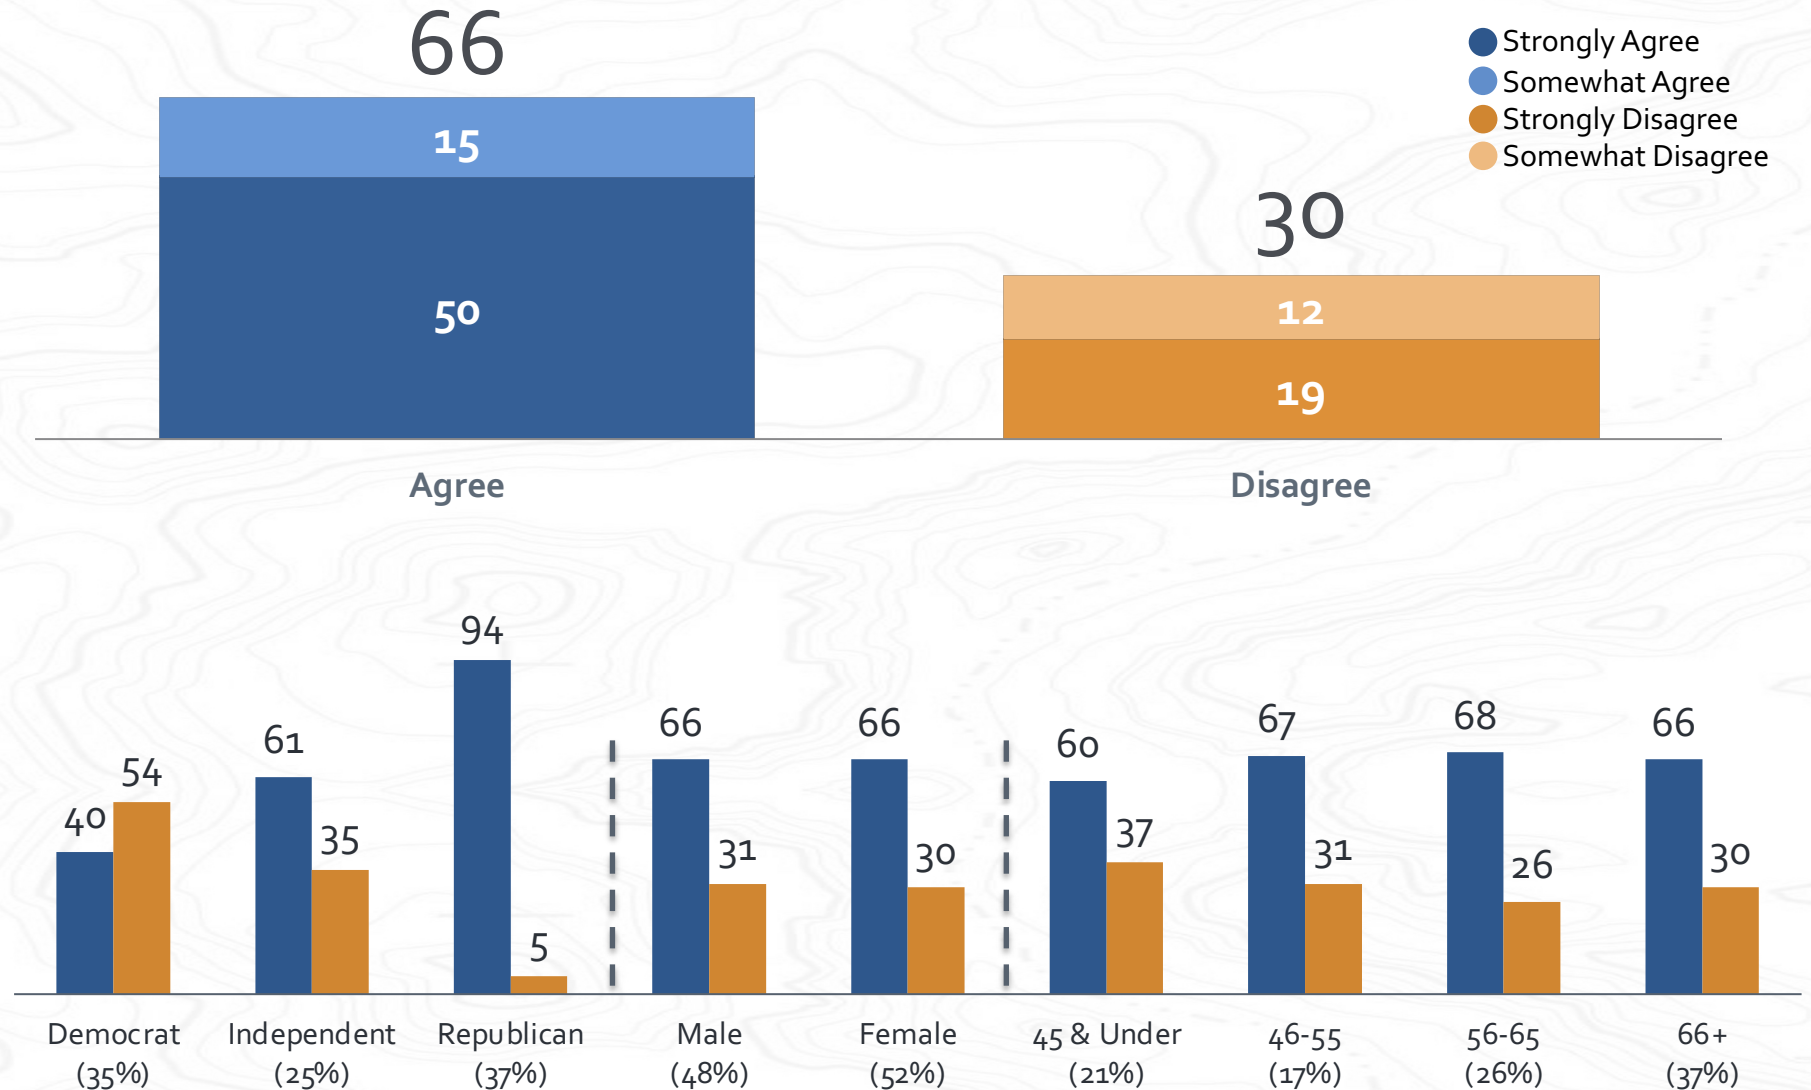

STOP THE TAX INCREASE

STOP THE TAX INCREASE IMPORTANCE

Thinking once more about tax cuts, please tell me if you agree or disagree with the following statement:

"Americans are paying more for nearly everything they buy like gas, groceries, clothes, school supplies, and cars. Because of high inflation, stopping a tax increase is more important than ever."

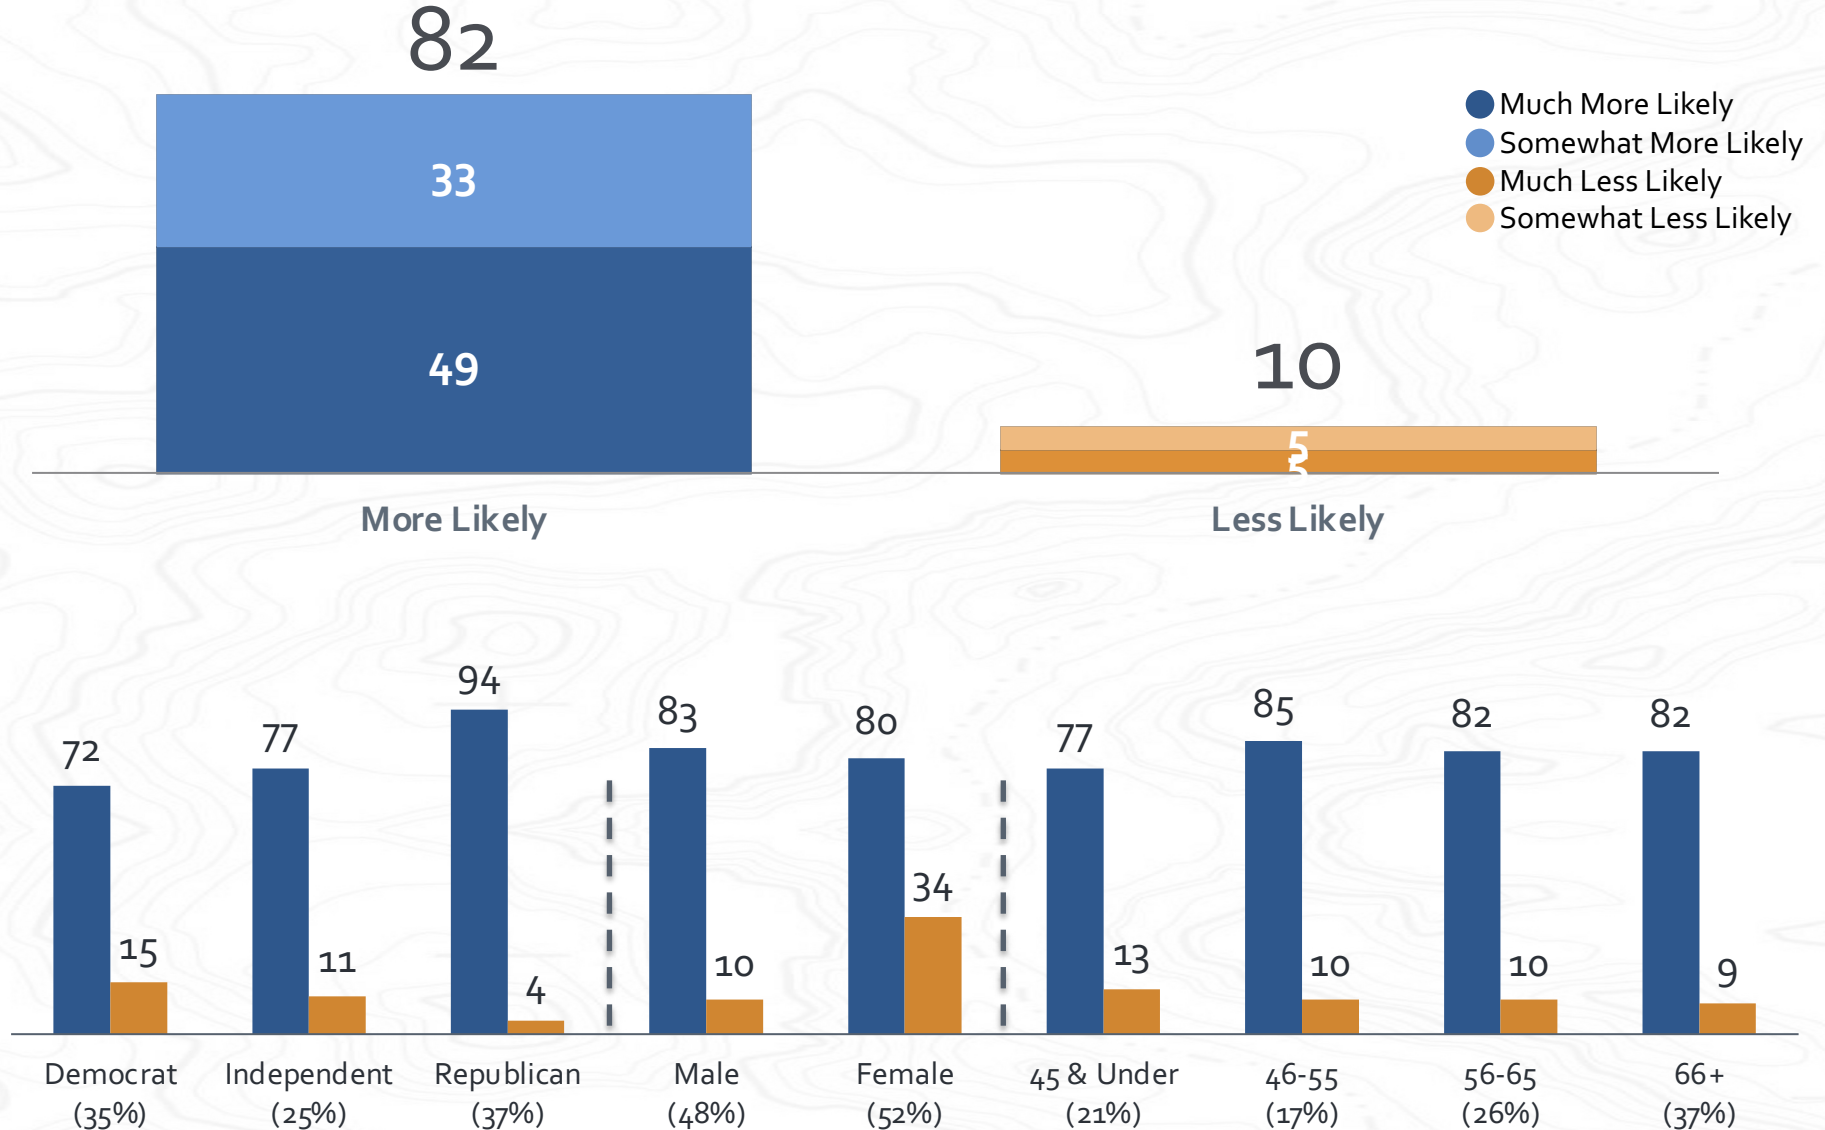

Getting Americans Back to Work

Thinking about again policy priorities for Congress, would you be more or less likely to support your elected officials in Congress if they prioritized getting Americans back to work and growing the job market?

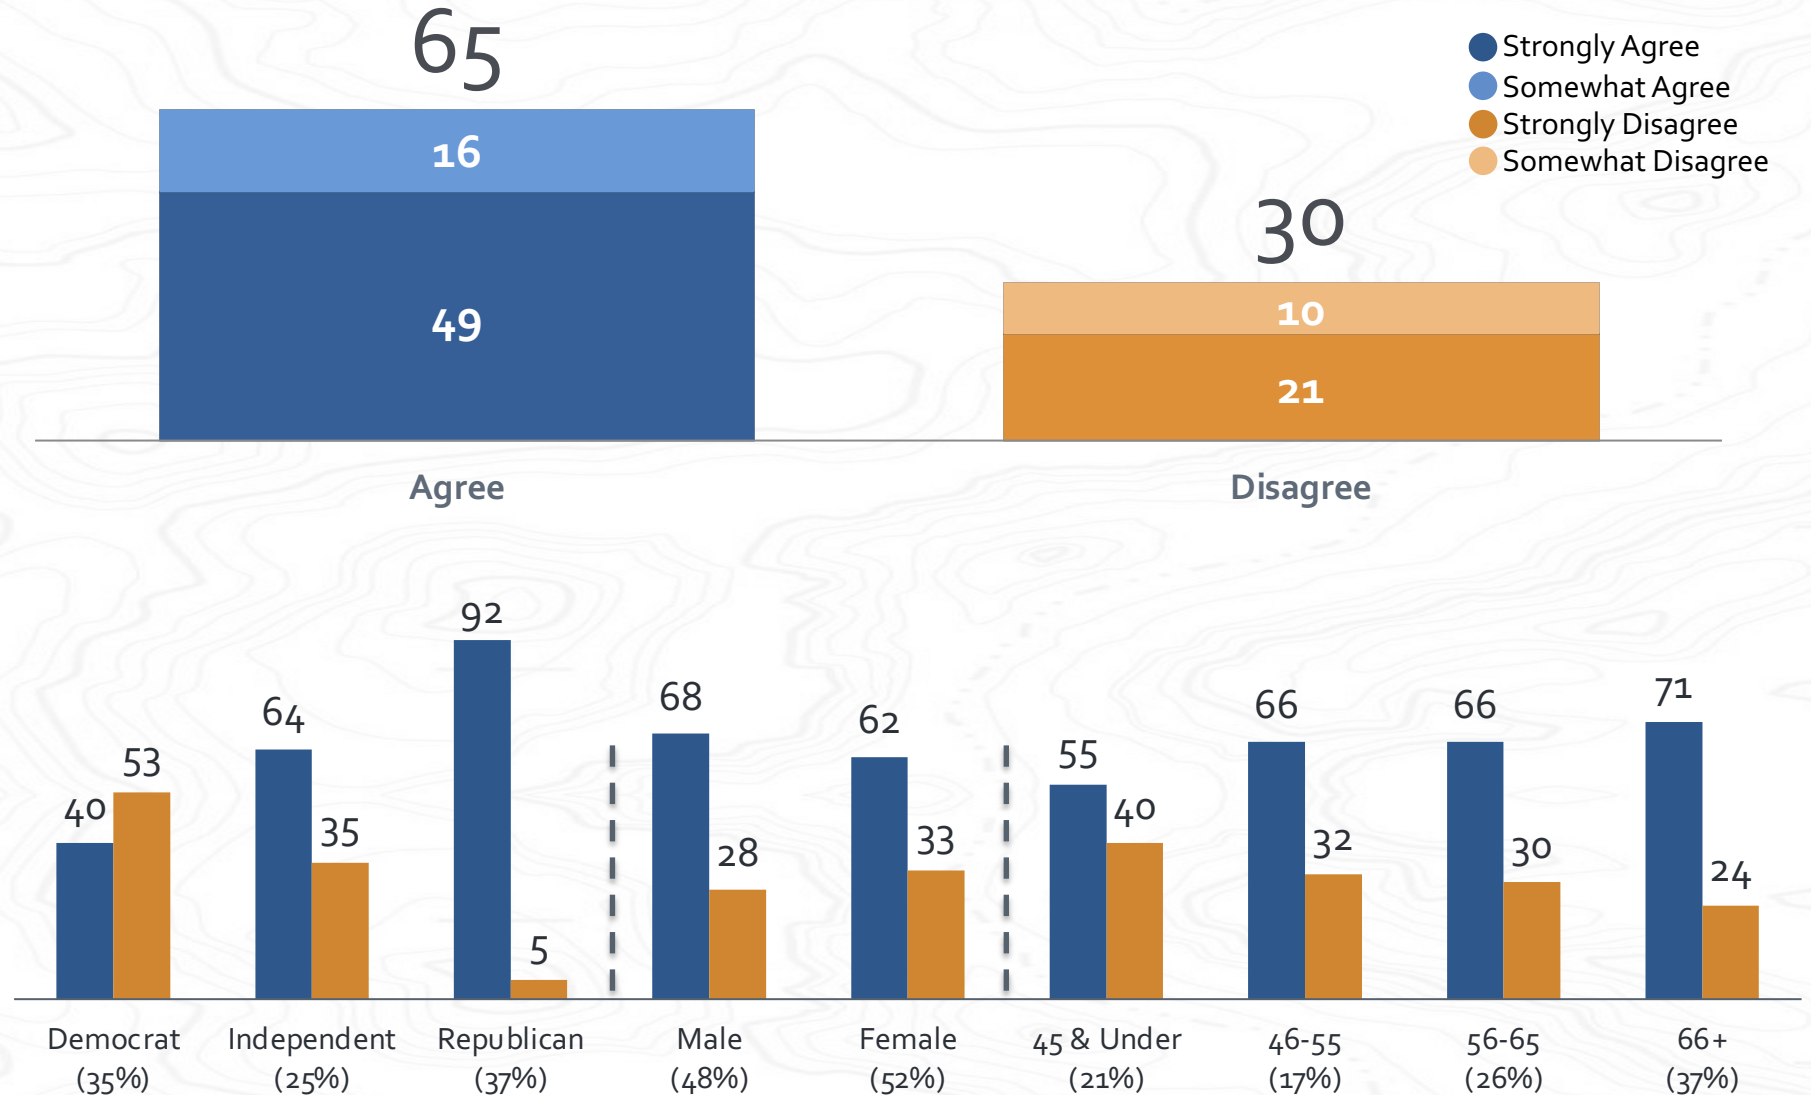

GETTING AMERICANS BACK TO WORK IMPACT

As you may know, studies have shown that 2.9 million able-bodied Americans have left the workforce because federal welfare programs incentivize them to stay unemployed.

With this in mind, please tell me if you agree or disagree with the following statement:
 "Congress must act to keep able-bodied Americans at work by enacting welfare reforms."

WELFARE REFORMS

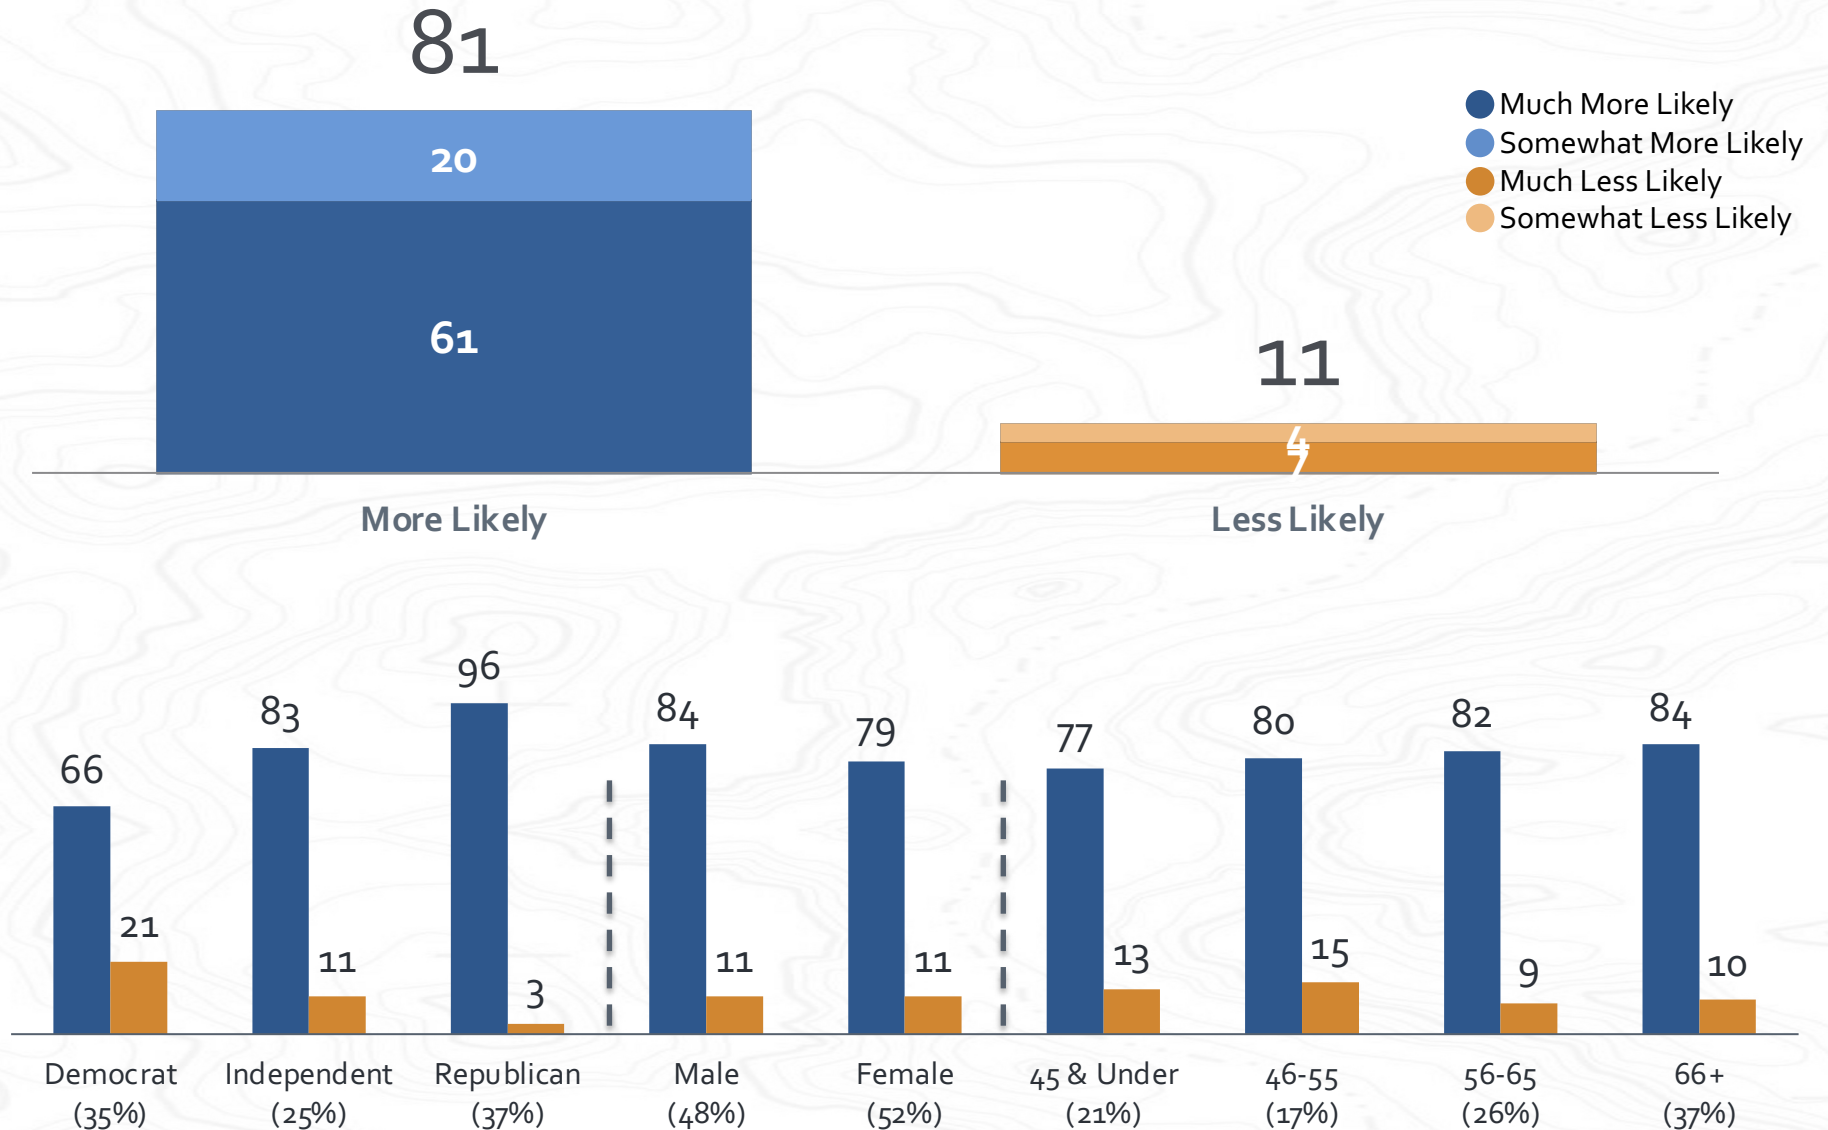

Cutting Federal Waste

CUTTING WASTE IMPACT

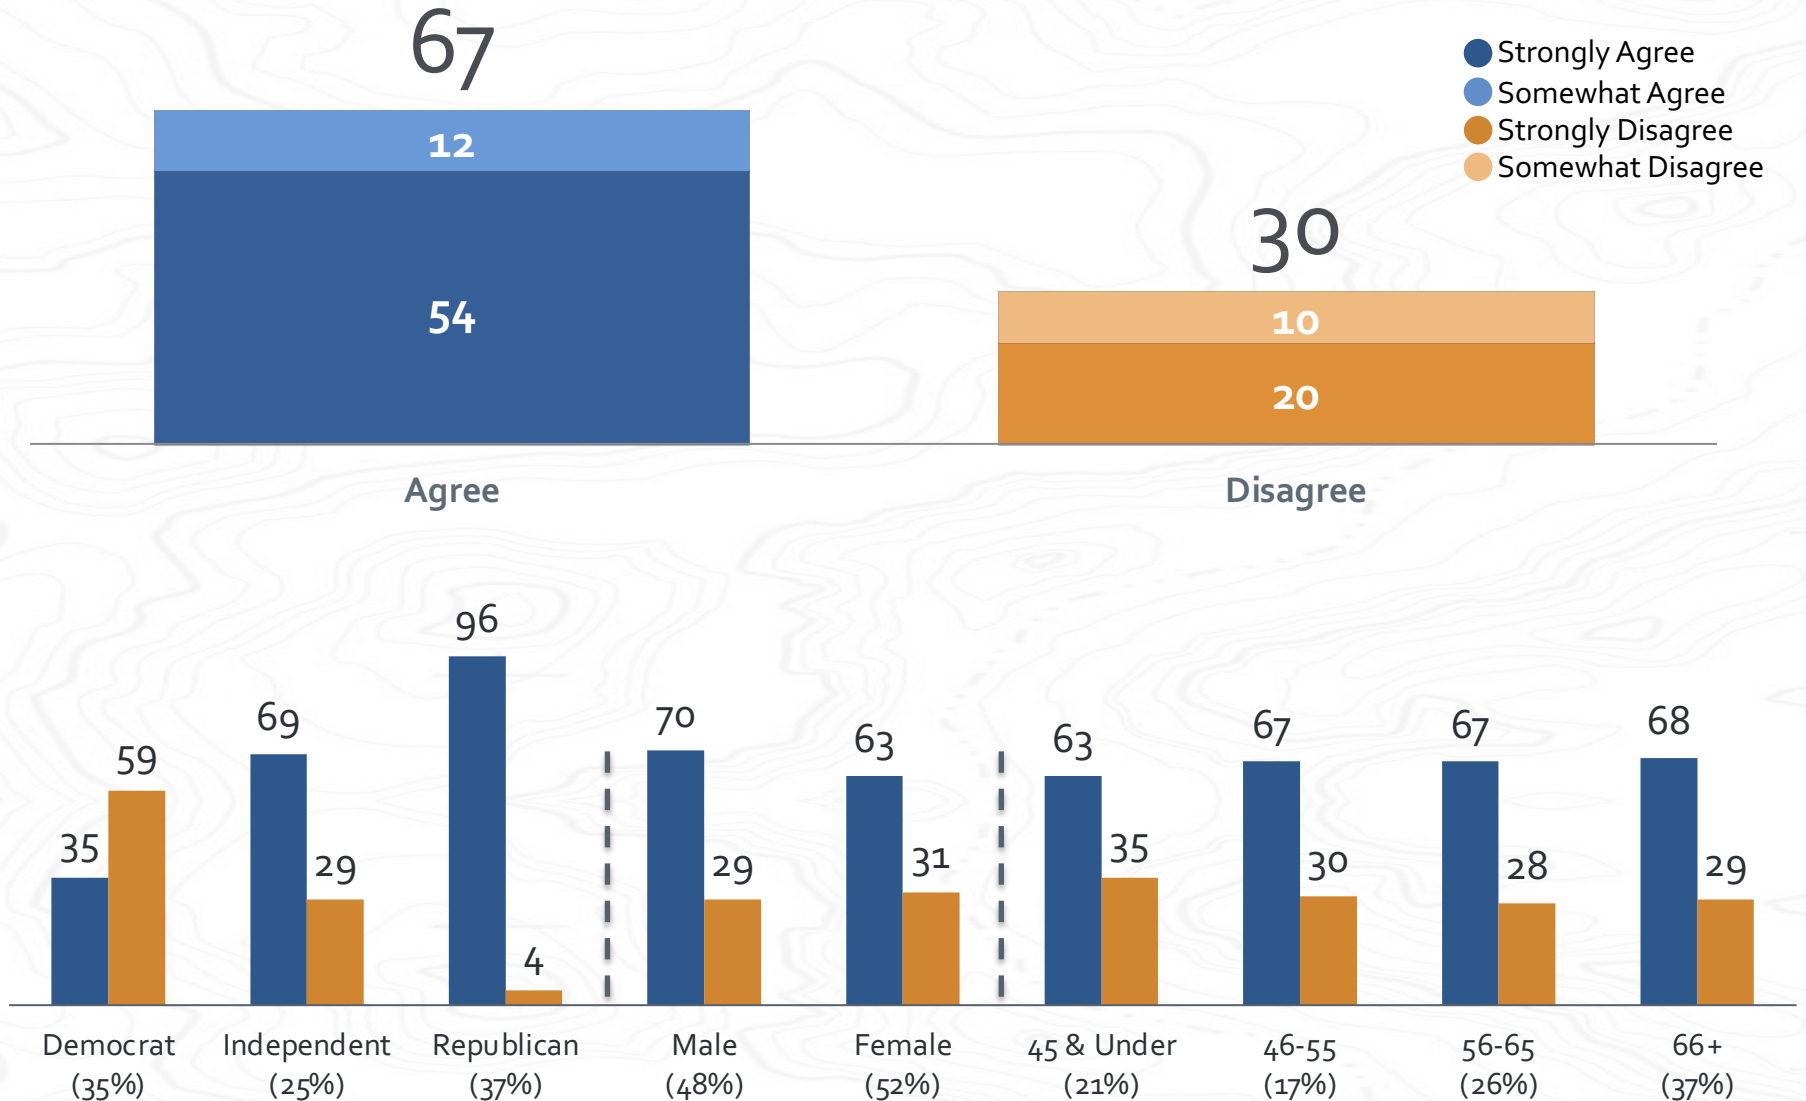

As you may know, it has been a full decade since a major Congressional initiative to cut waste was undertaken in Washington. Would you be more or less likely to support your elected officials if they launched another initiative to cut waste, fraud, and abuse?

Thinking again about the federal government, please tell me if you agree or disagree with the following statement:

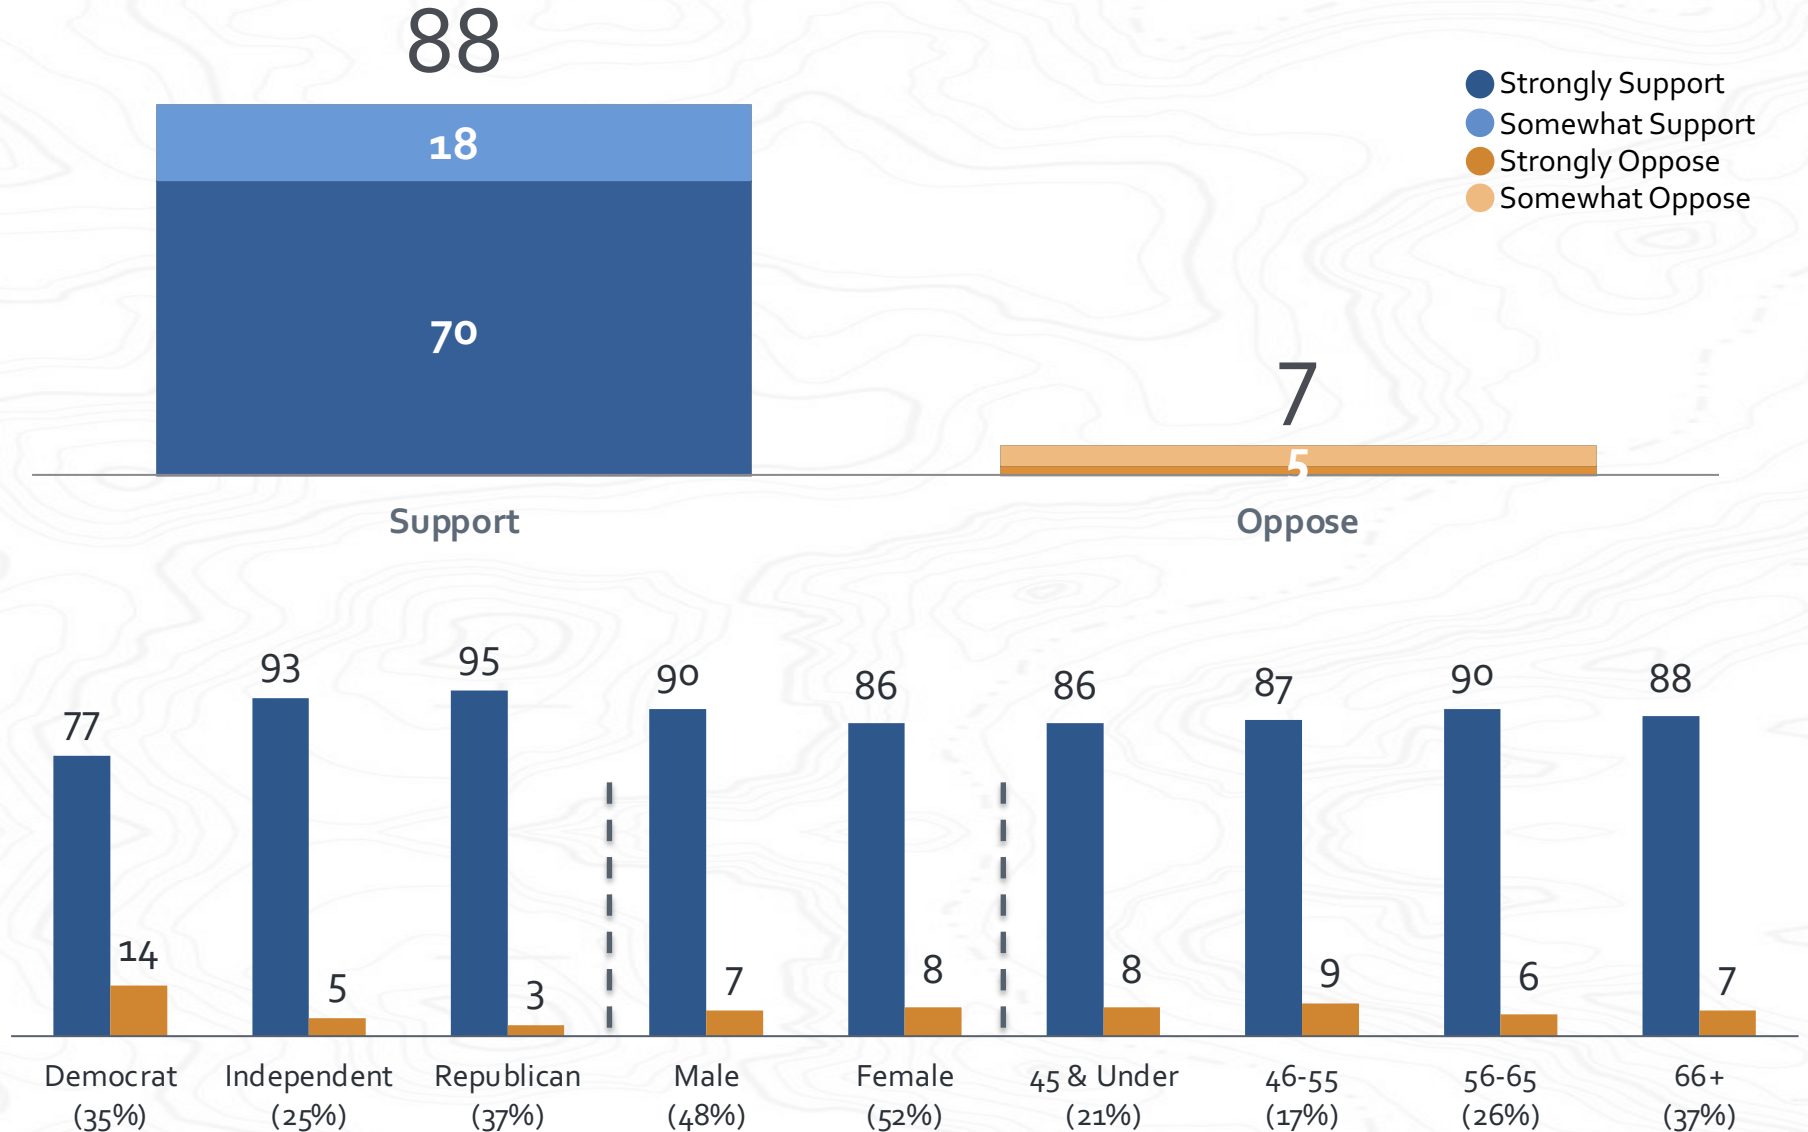

"The federal government has gotten too big, and we need to eliminate many federal programs that waste taxpayer dollars and make our government inefficient."

GOVERNMENT IS TOO BIG

Would you support or oppose a federal law that requires more transparency on how agencies spend your tax money, so that any American taxpayer could go online and see how every agency spends its money?

INCREASED TRANSPARENCY

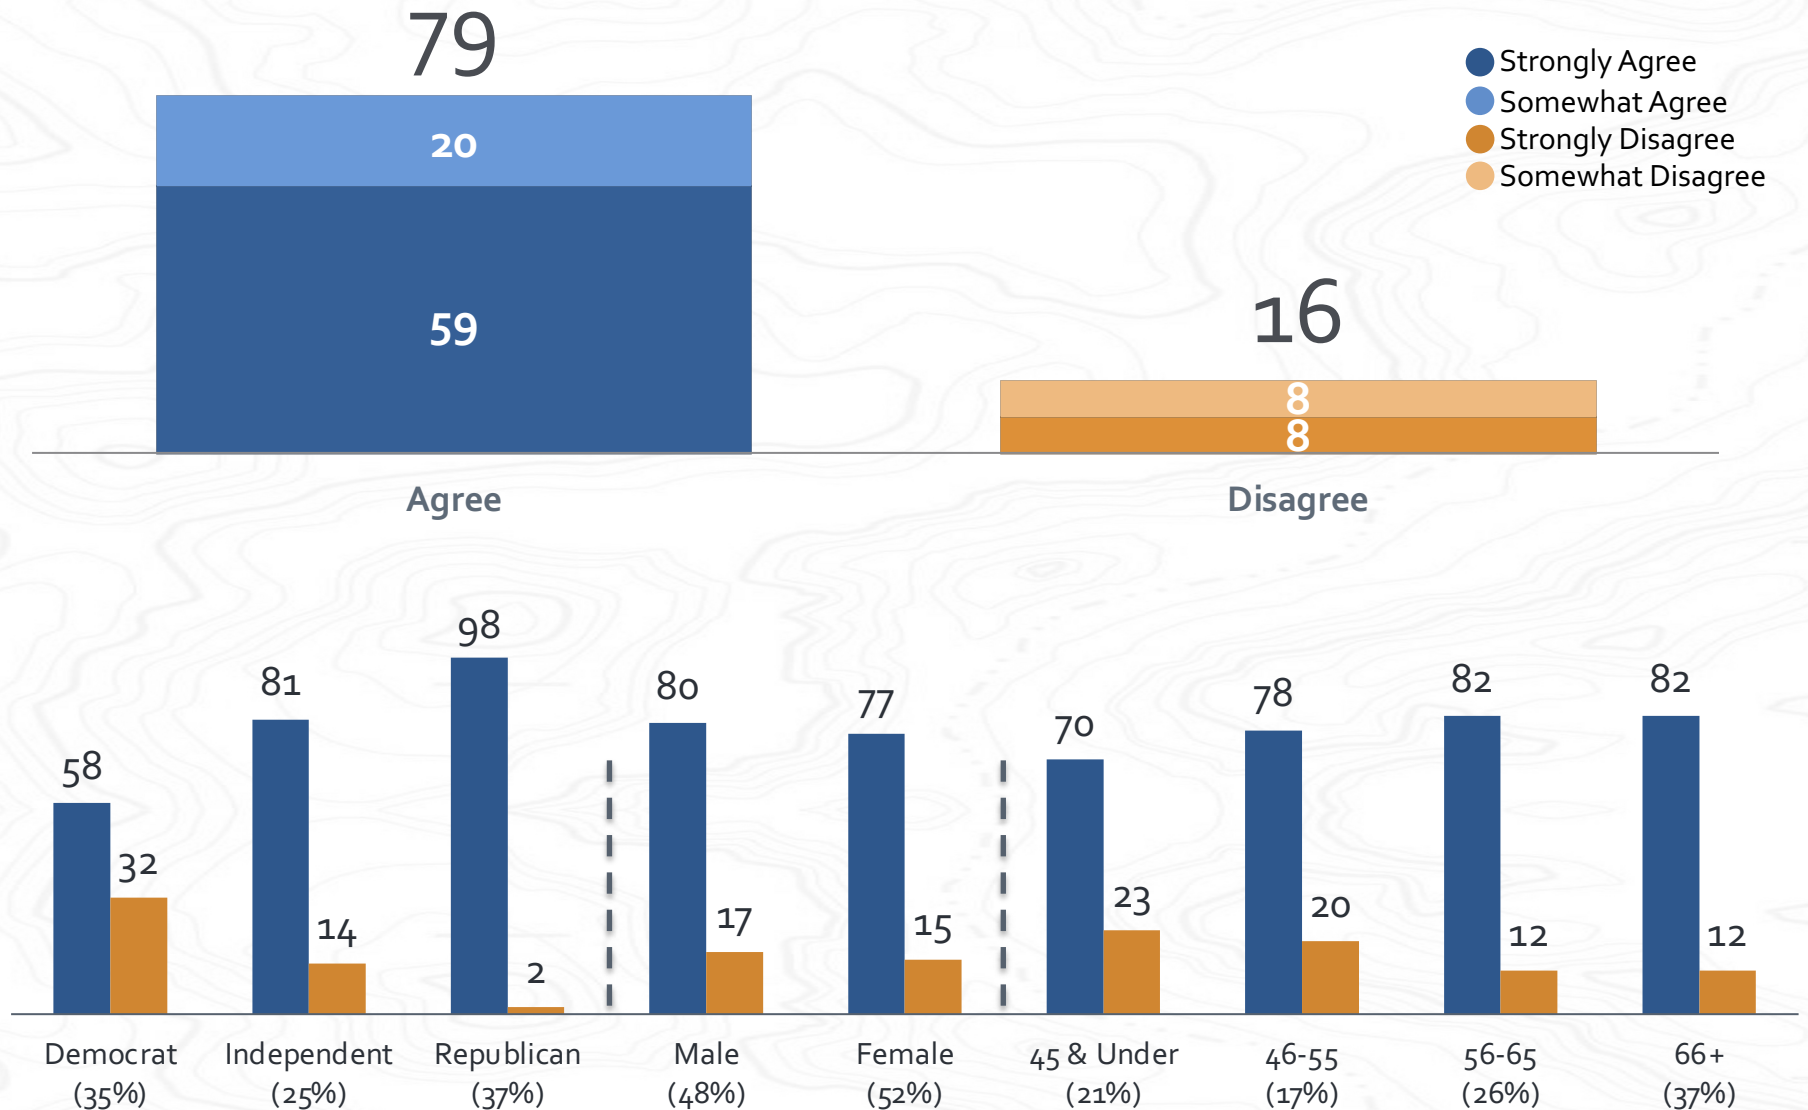

The background of the slide is a composite image. On the left, the dome of the United States Capitol building is visible, partially obscured by a yellow diagonal overlay. On the right, the stars and stripes of the American flag are shown in a blue-tinted, wavy pattern. A small yellow square is located to the left of the title text.

Scope of Federal Government

As you may know, government spending increased dramatically under COVID. With this in mind, please tell me if you agree or disagree with the following statement: "Now that the pandemic is over, it's time for Congress to reduce spending back to pre-COVID levels so that the government can afford to deal with the next disaster."

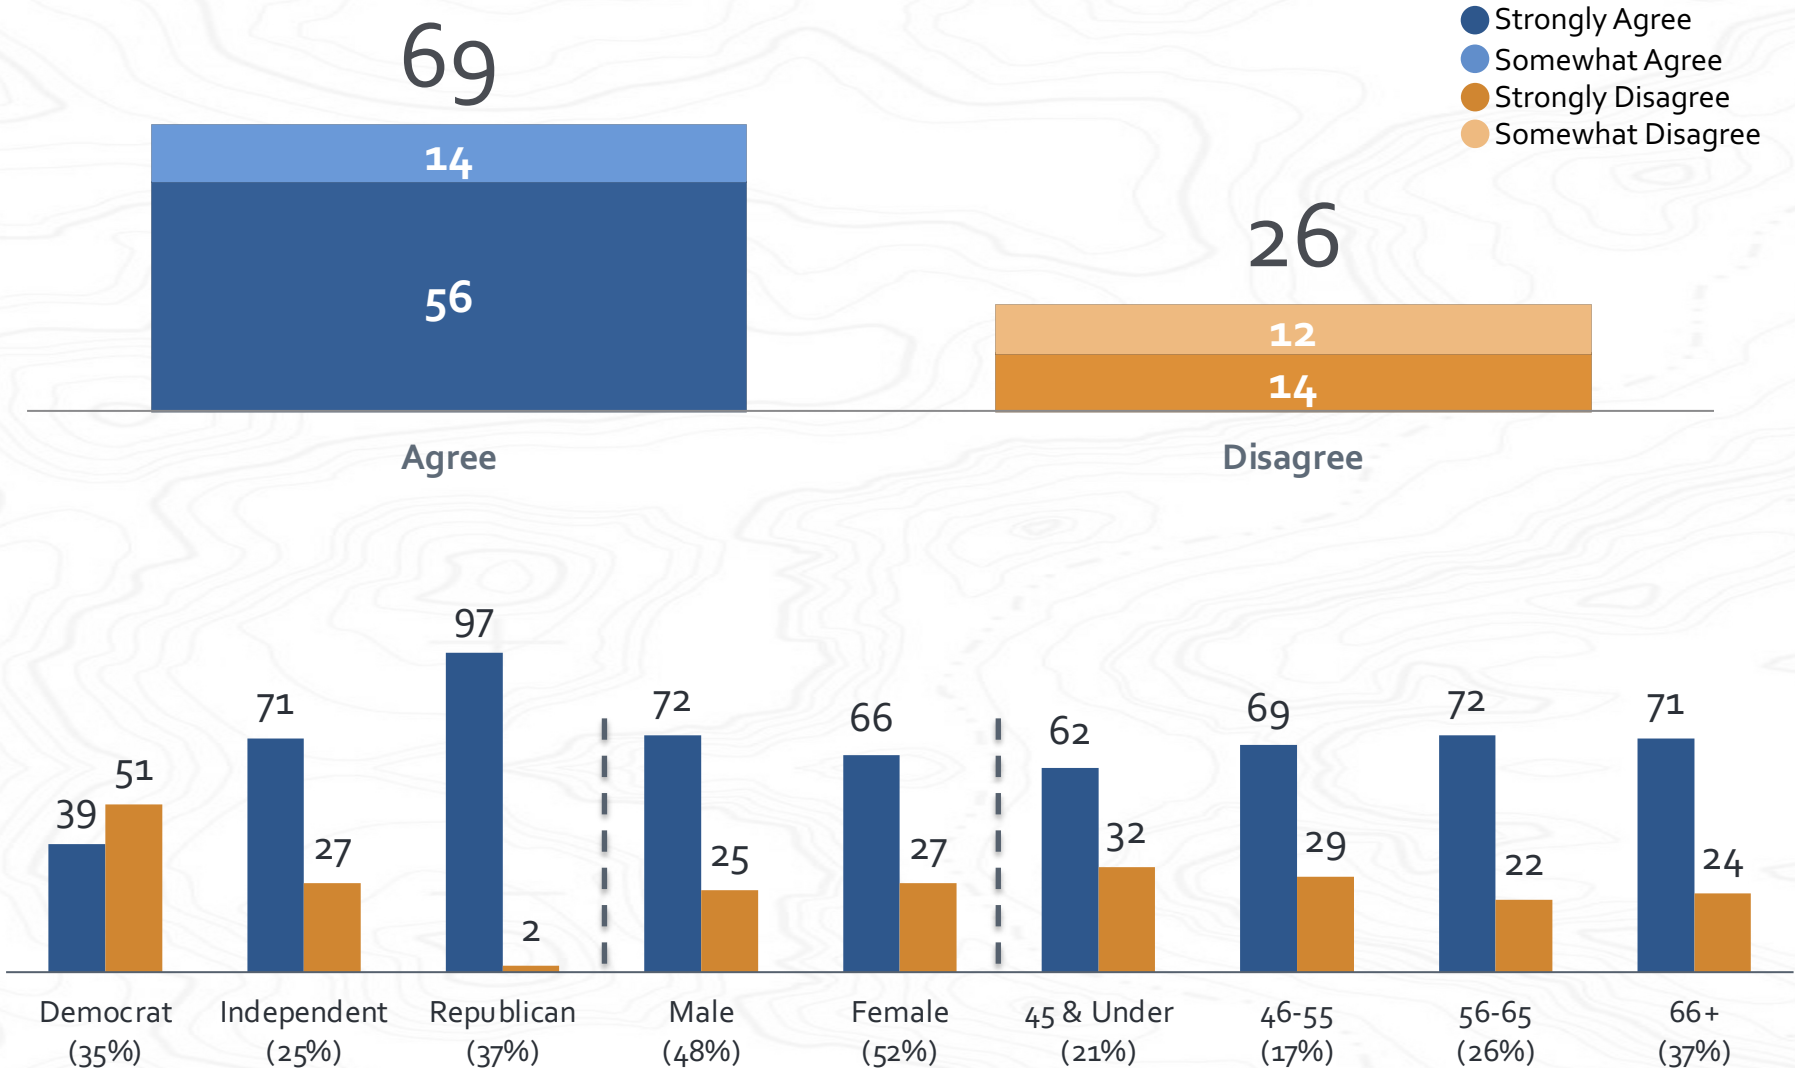

REDUCE SPENDING TO PRE-COVID LEVELS

As you also may know, the size and scope of the federal bureaucracy has grown significantly since the COVID pandemic. With this in mind, please tell me if you agree or disagree with the following statement:

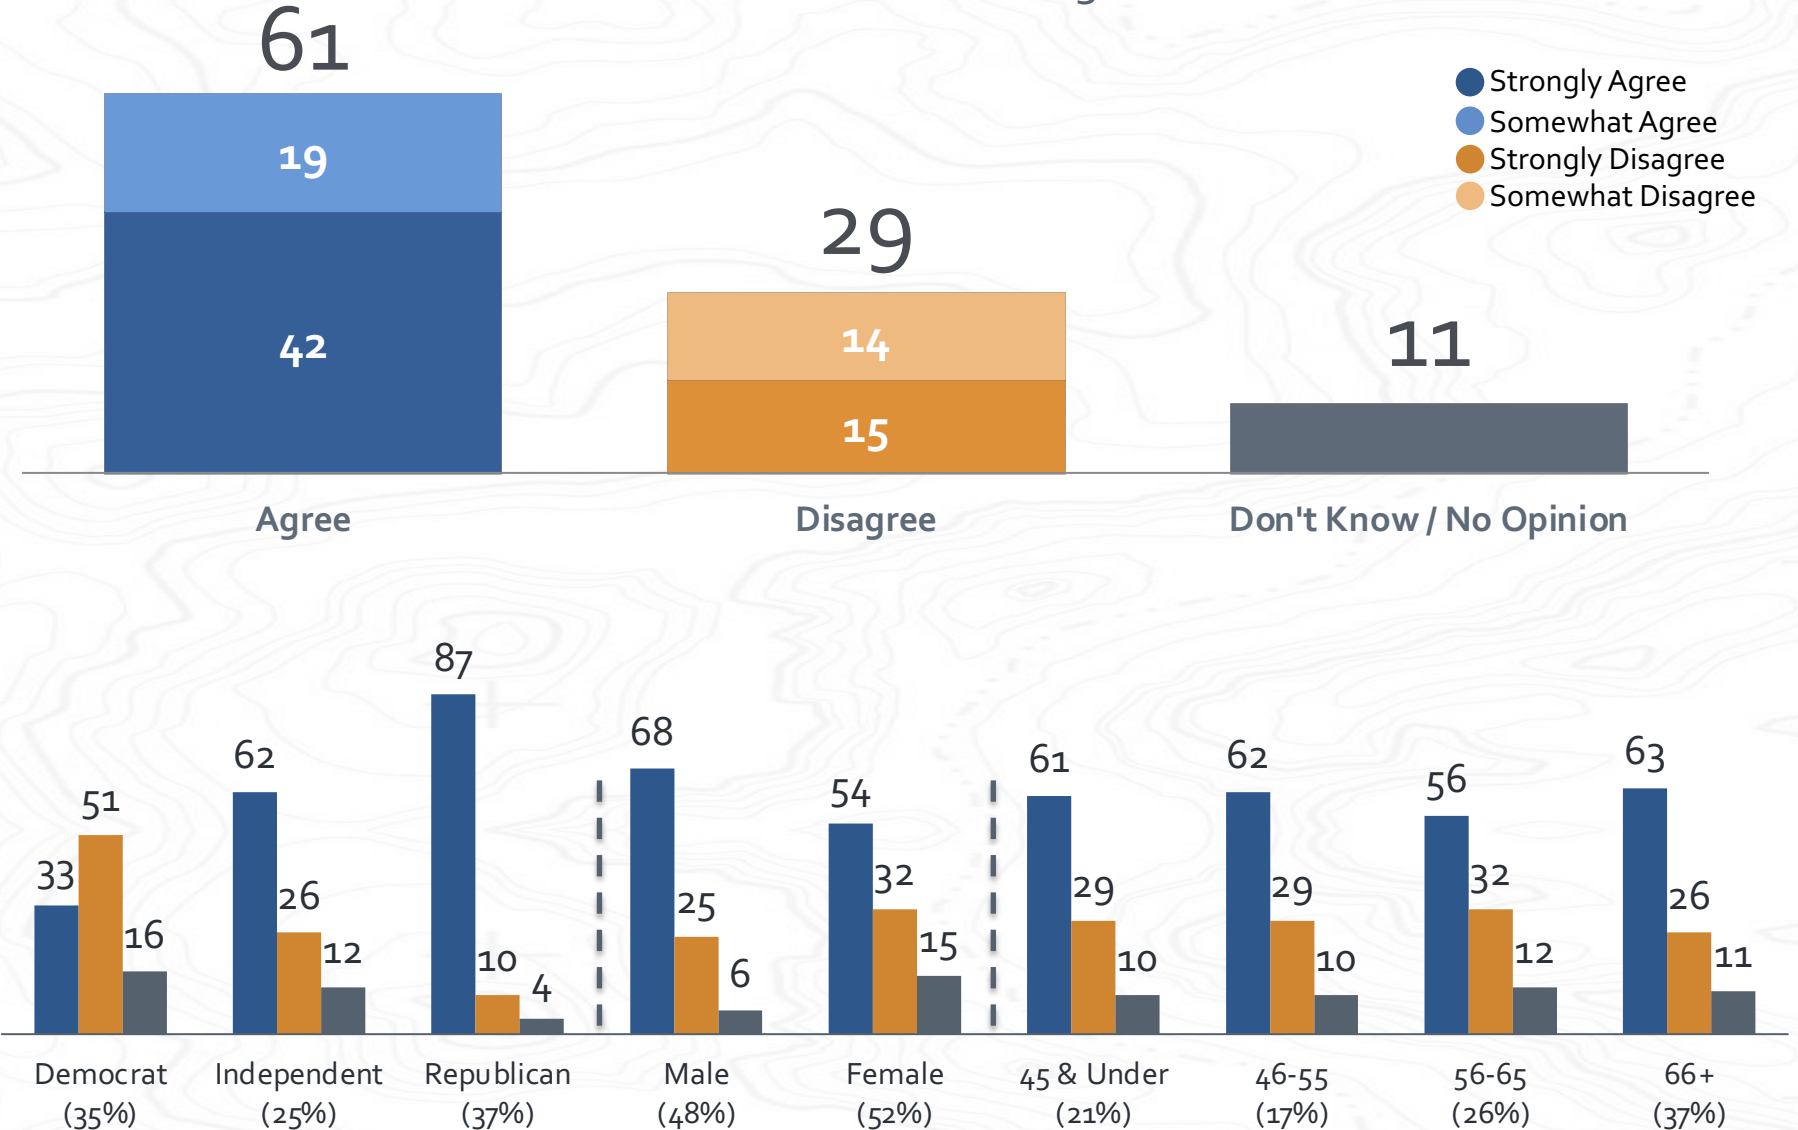

"Congress should limit the size and scope of federal agencies, so government bureaucrats have less involvement in Americans' daily lives."

LESS BUREAUCRATIC INVOLVEMENT

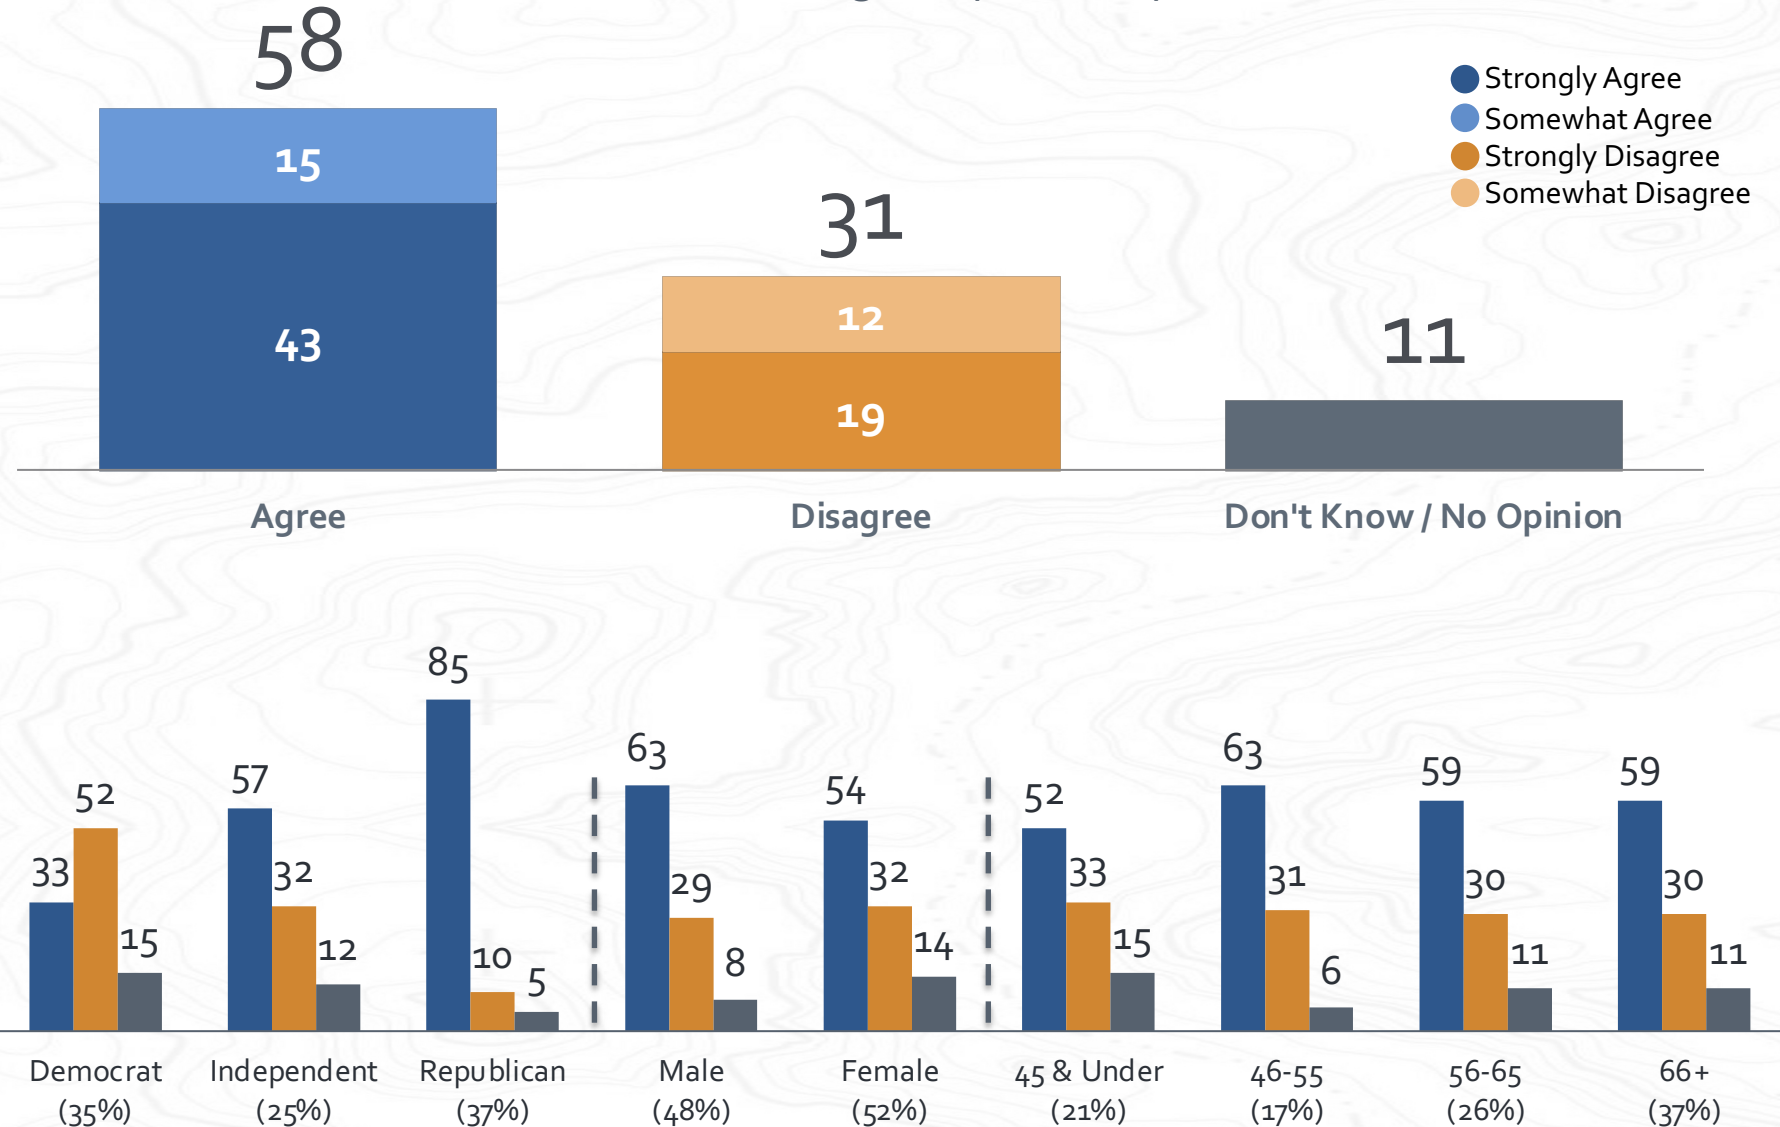

Thinking again about the role of the federal government, please tell me if you agree or disagree with the following statement:
 "Elected representatives should have more control over laws and regulations than unelected officials in federal agencies."

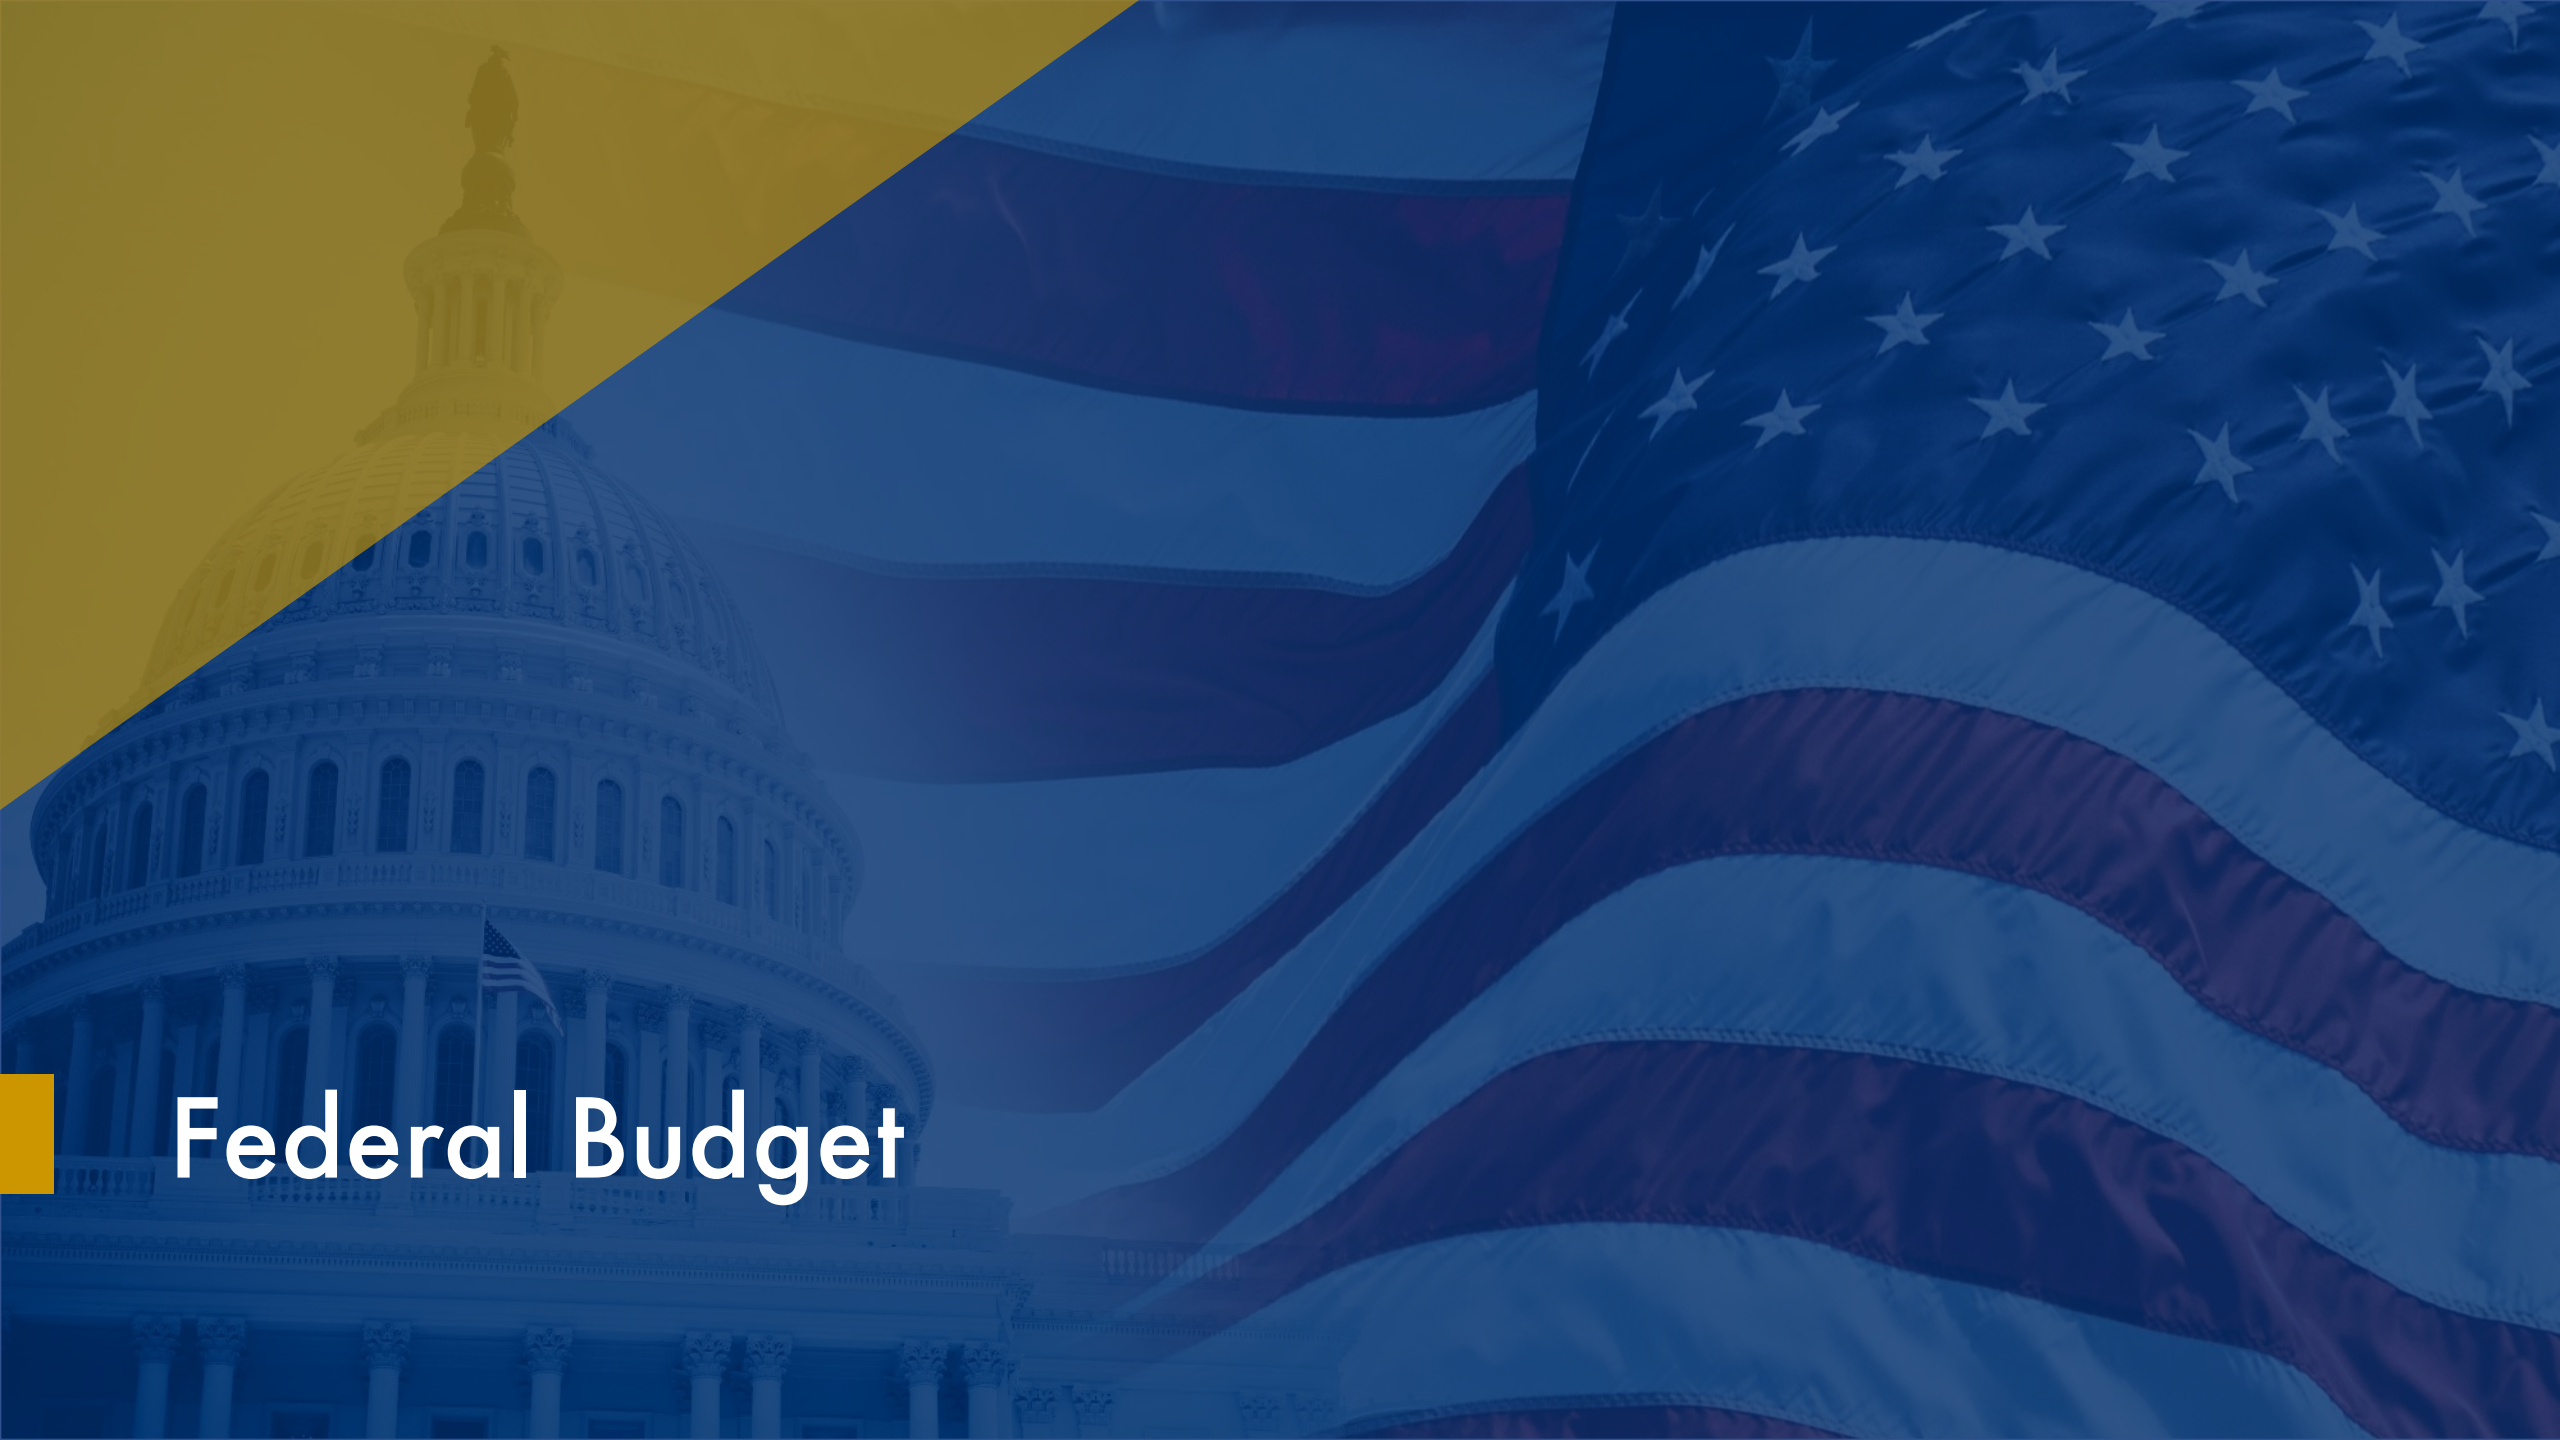

REPRESENTATIVES HAVING MORE CONTROL

Thinking once more about the role of the federal government, please tell me if you agree or disagree with the following statement:
 "Officials in federal agencies should serve elected representatives, rather than acting independently."

BUREAUCRATS SHOULD SERVE ELECTED OFFICIALS

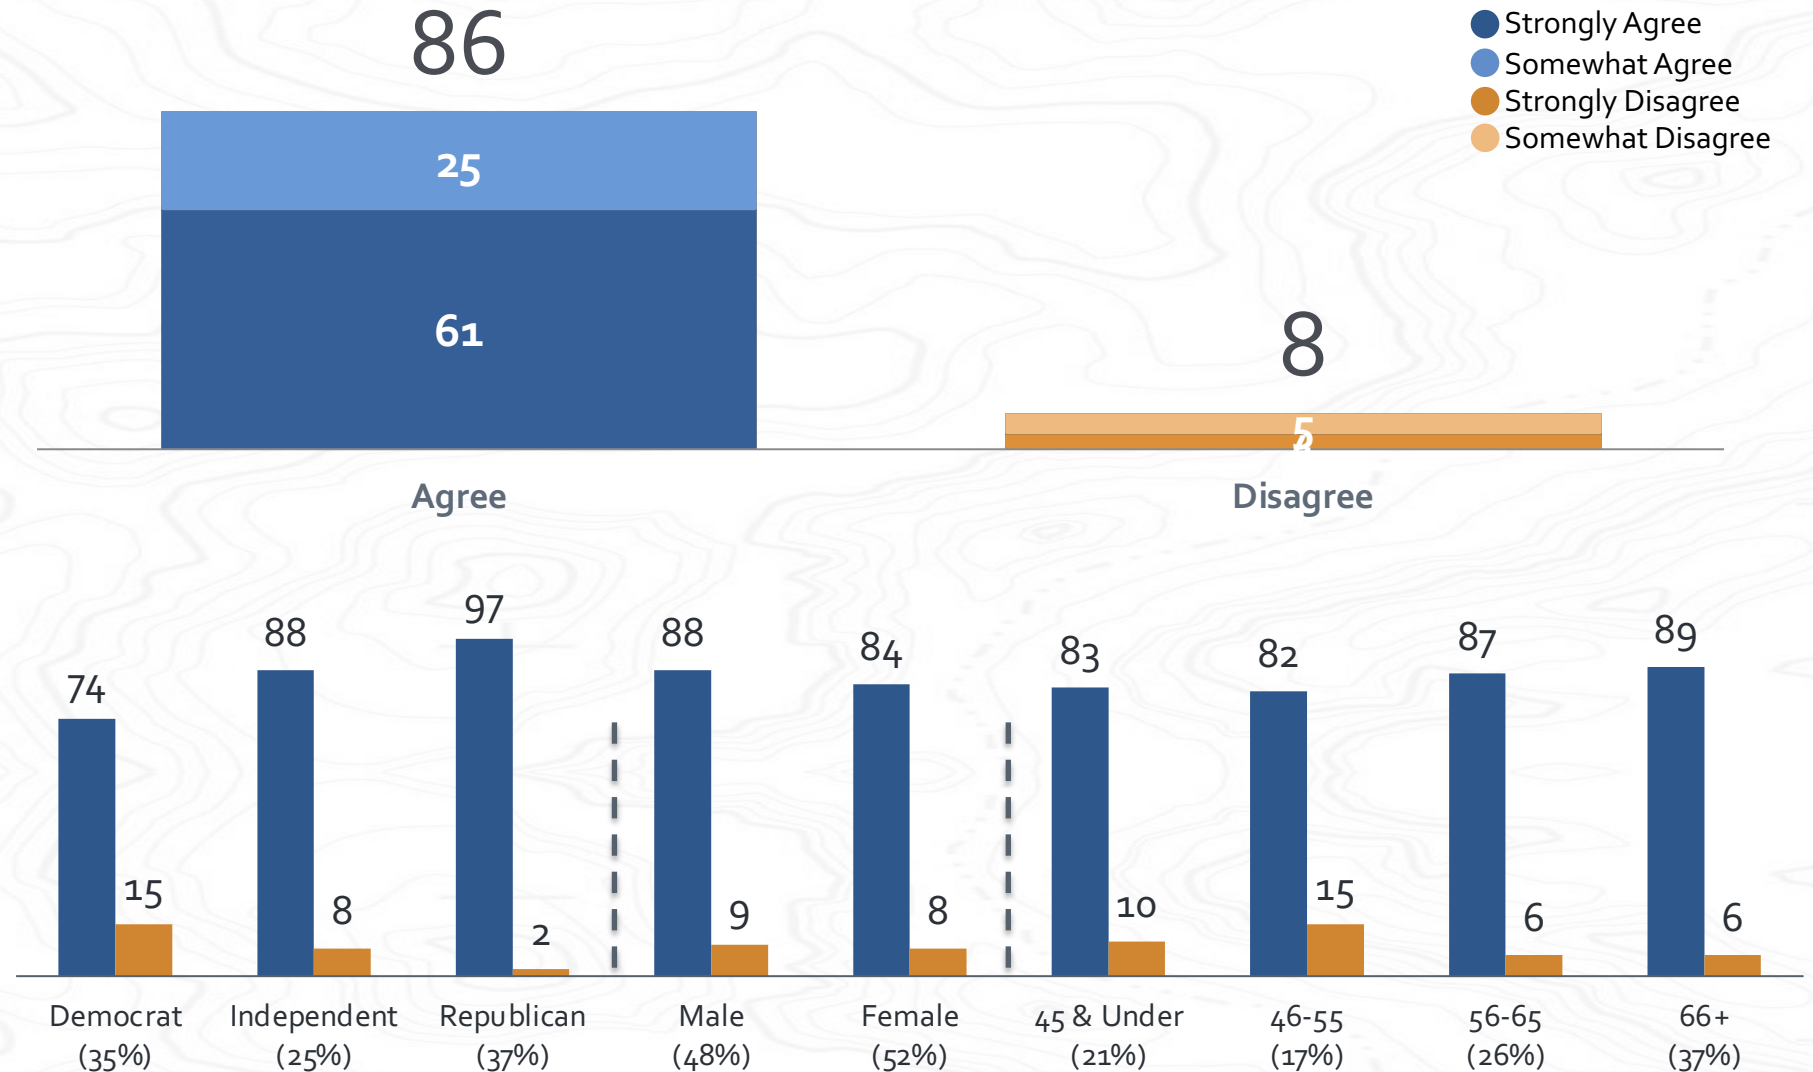

Federal Budget

As you also may know, interest payments on the national debt are now higher than federal spending on national debt. With this in mind, please tell me if you agree or disagree with the following statement:

“Congress needs a plan to address the debt that is realistic and can be enacted into law in short order.”

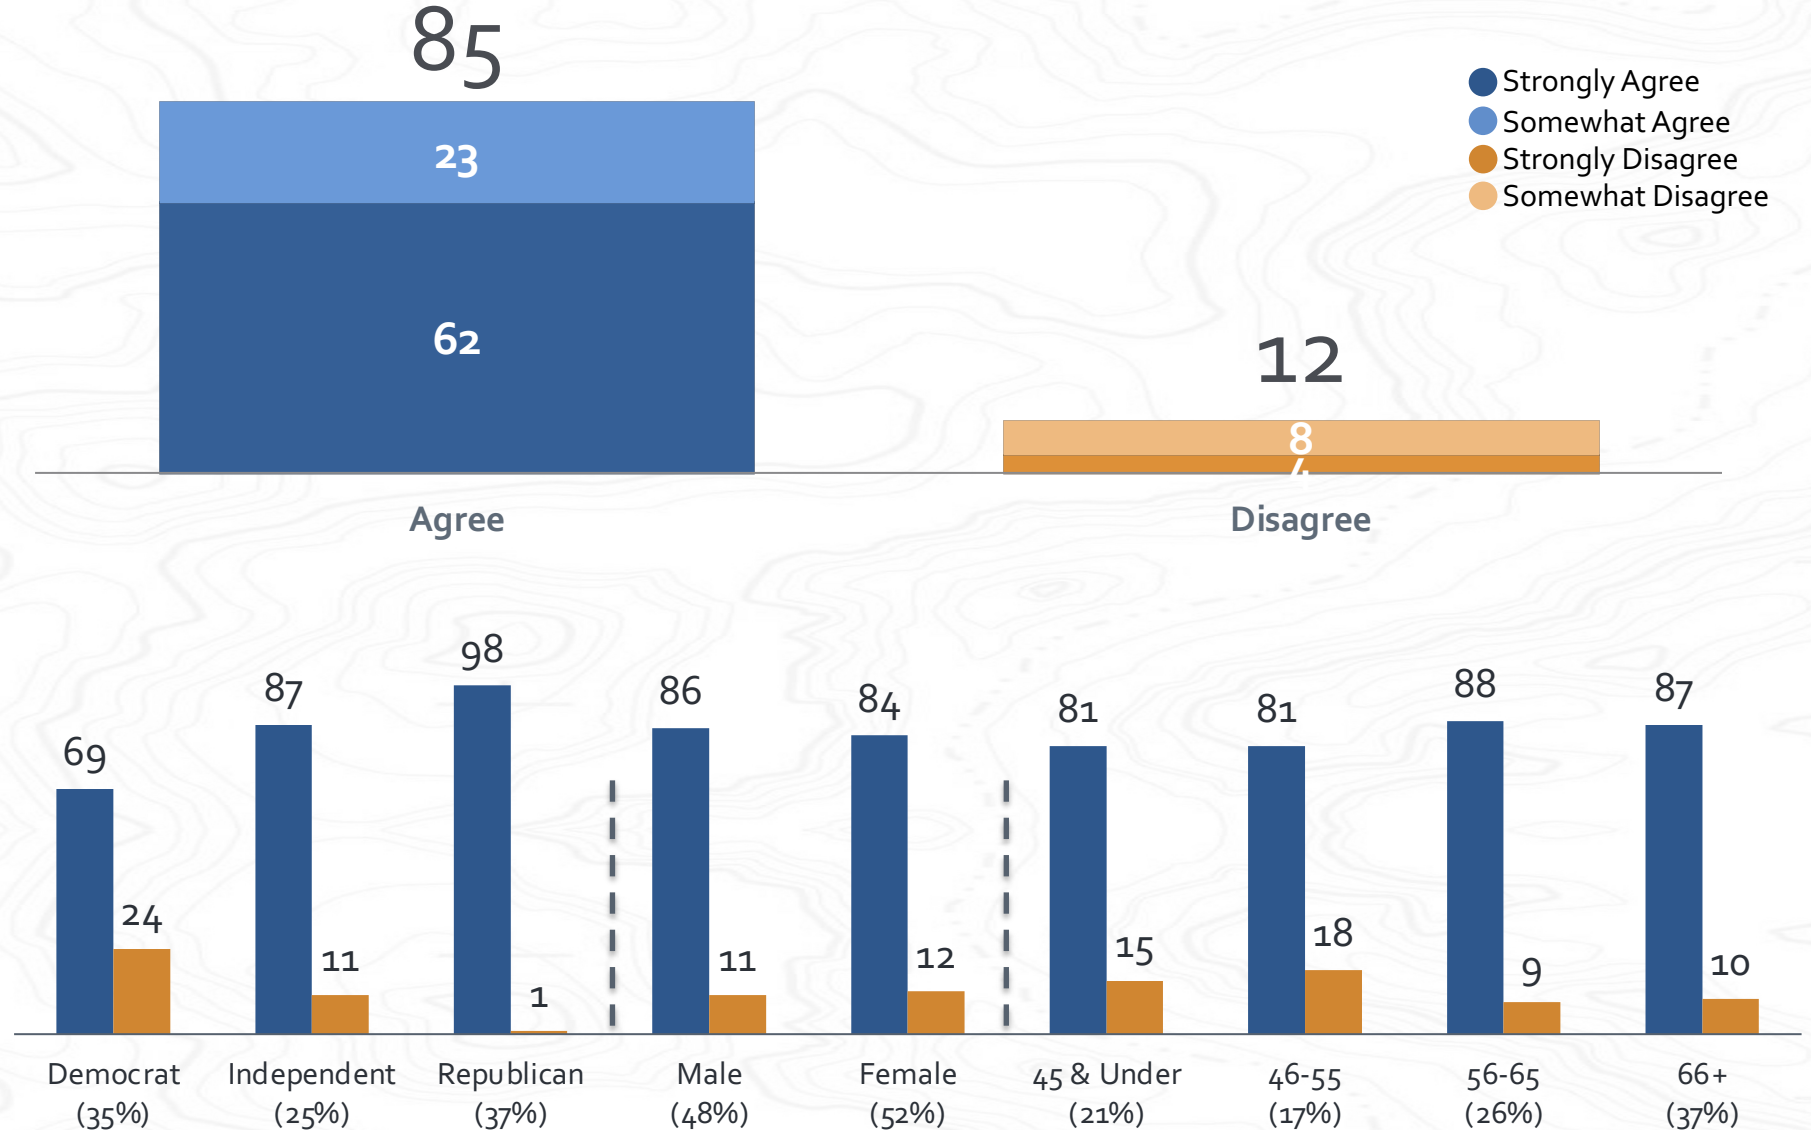

ADDRESSING THE DEBT

REDUCING FEDERAL SPENDING

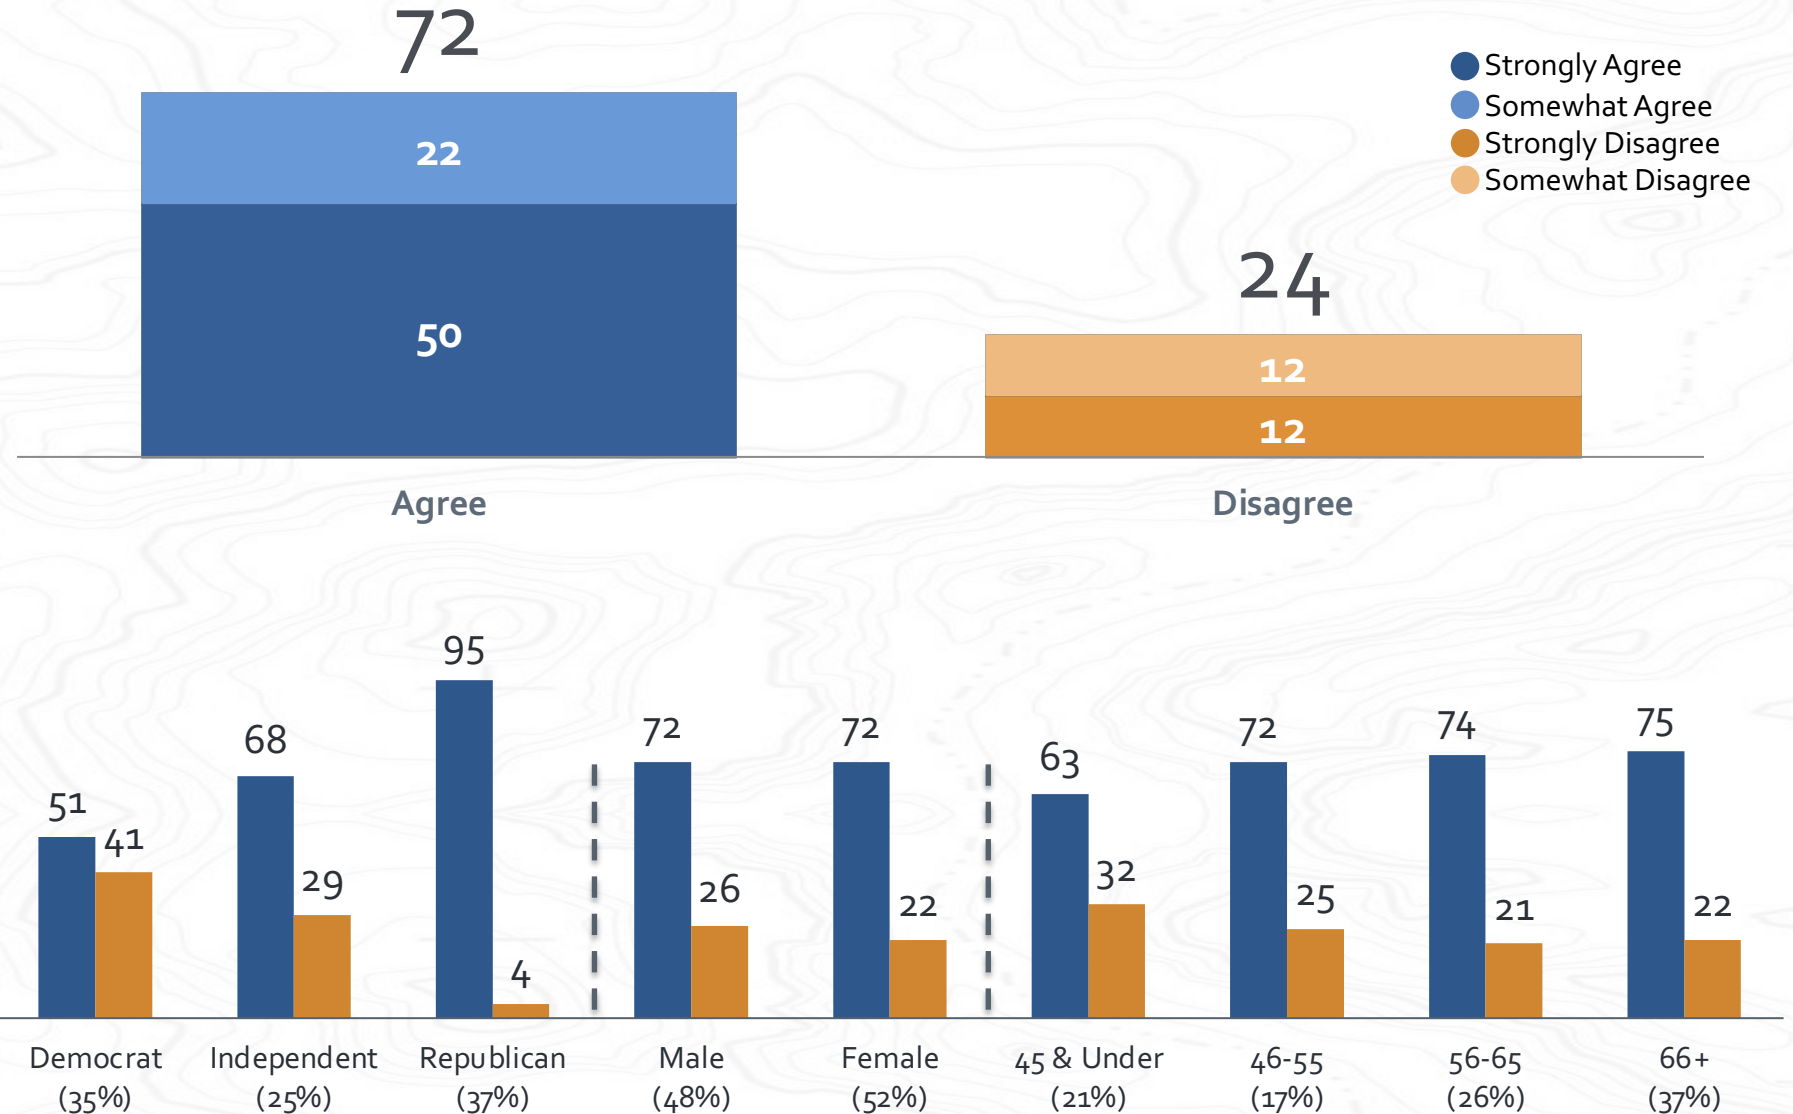

Thinking about the federal budget, please tell me if you agree or disagree with the following statement:

"Reducing wasteful federal spending is a priority to me."

Thinking about the federal budget, please tell me if you agree or disagree with the following statement:

"Preserving low tax rates is a priority to me."

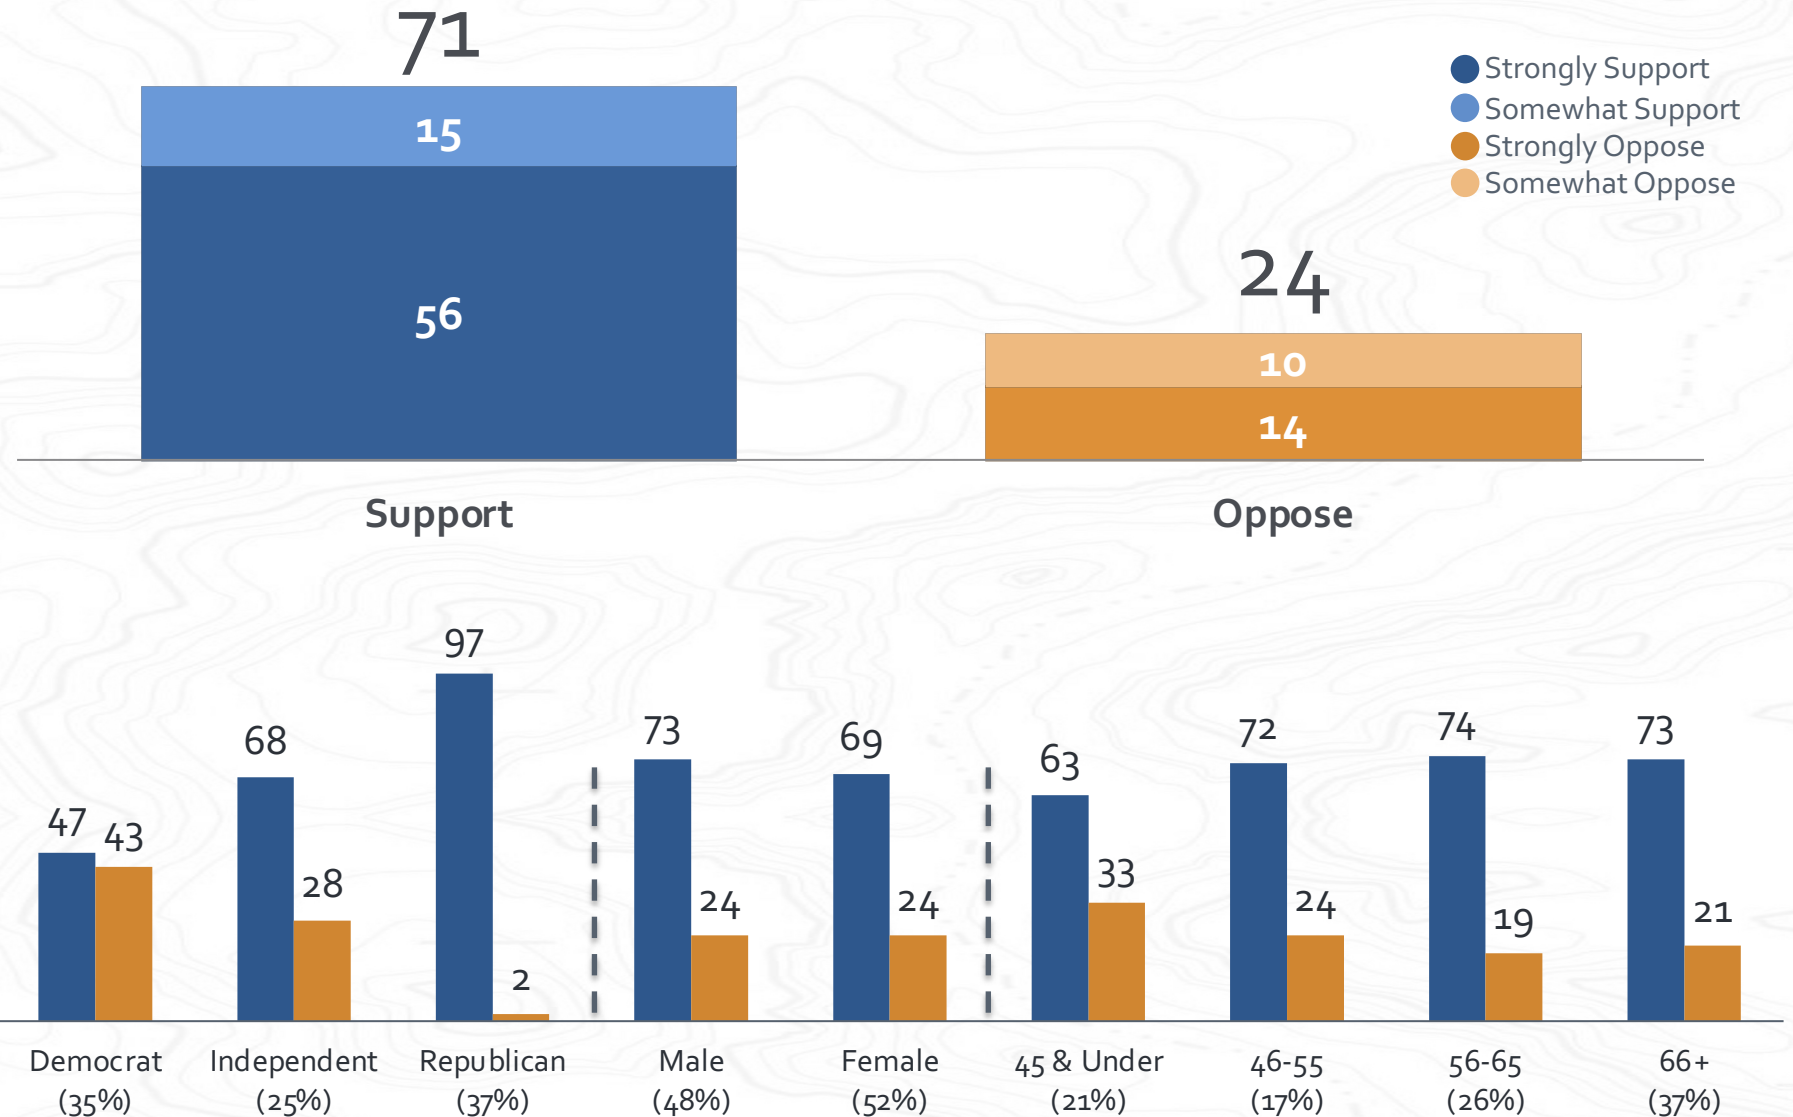

PRESERVING LOW TAXES

The background of the slide is a composite image. On the left, the dome of the United States Capitol building is visible, partially obscured by a diagonal yellow-to-blue gradient. On the right, a large, stylized American flag with prominent stars and stripes is shown. The text 'Congressional Budgetary Agenda' is centered in the lower half of the image, overlaid on the blue portion of the background.

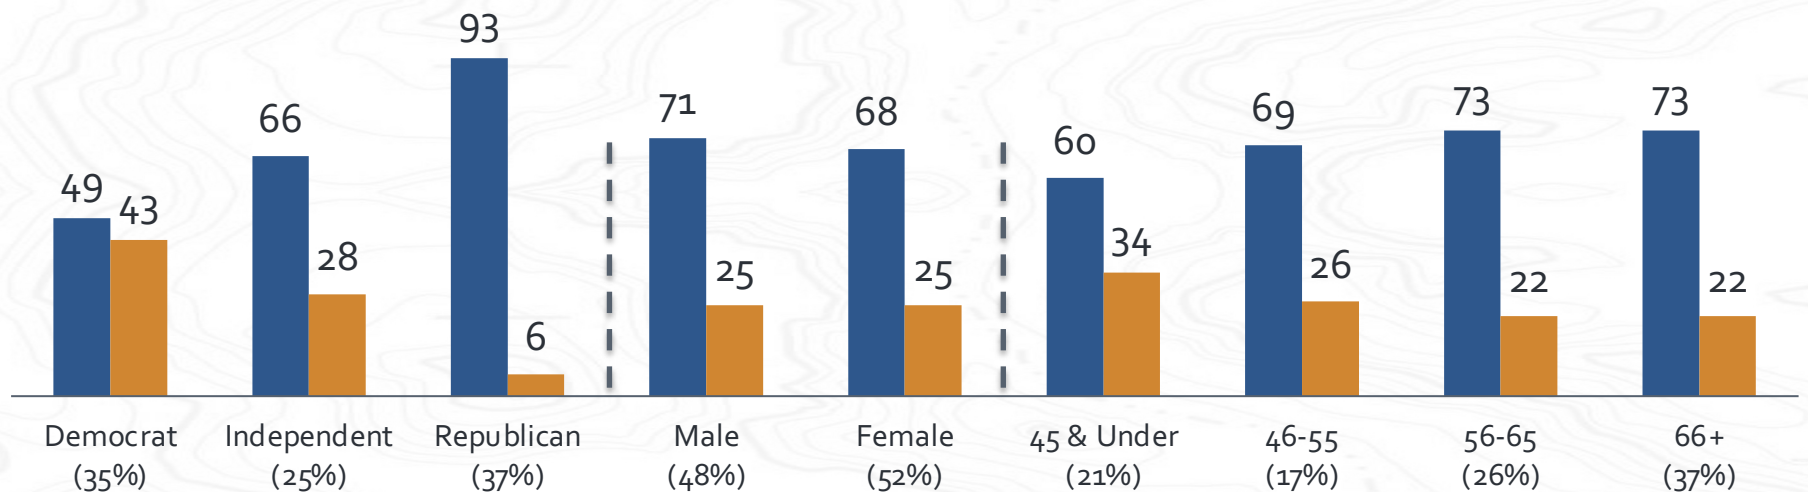

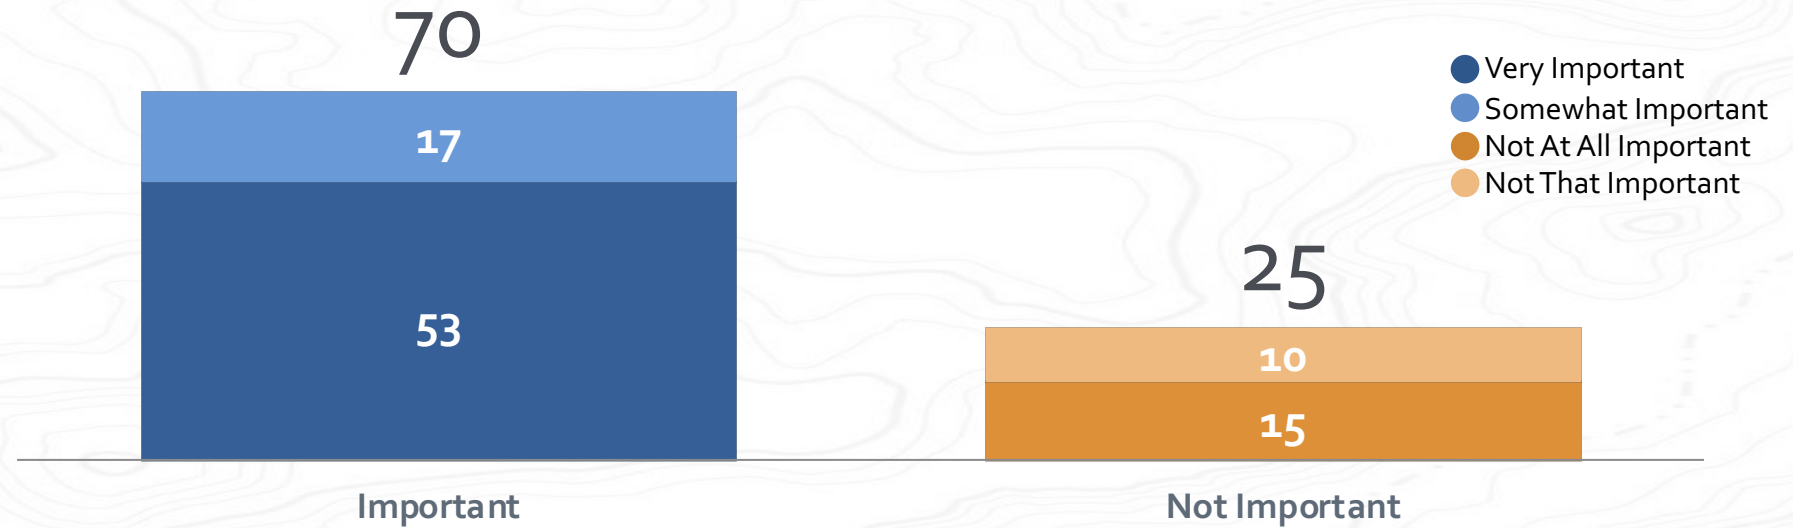

Congressional Budgetary Agenda

Would you support or oppose a congressional budgetary agenda of securing the border, lowering inflation, extending tax cuts, getting Americans back to work, and reduces the federal government to pre-COVID size?

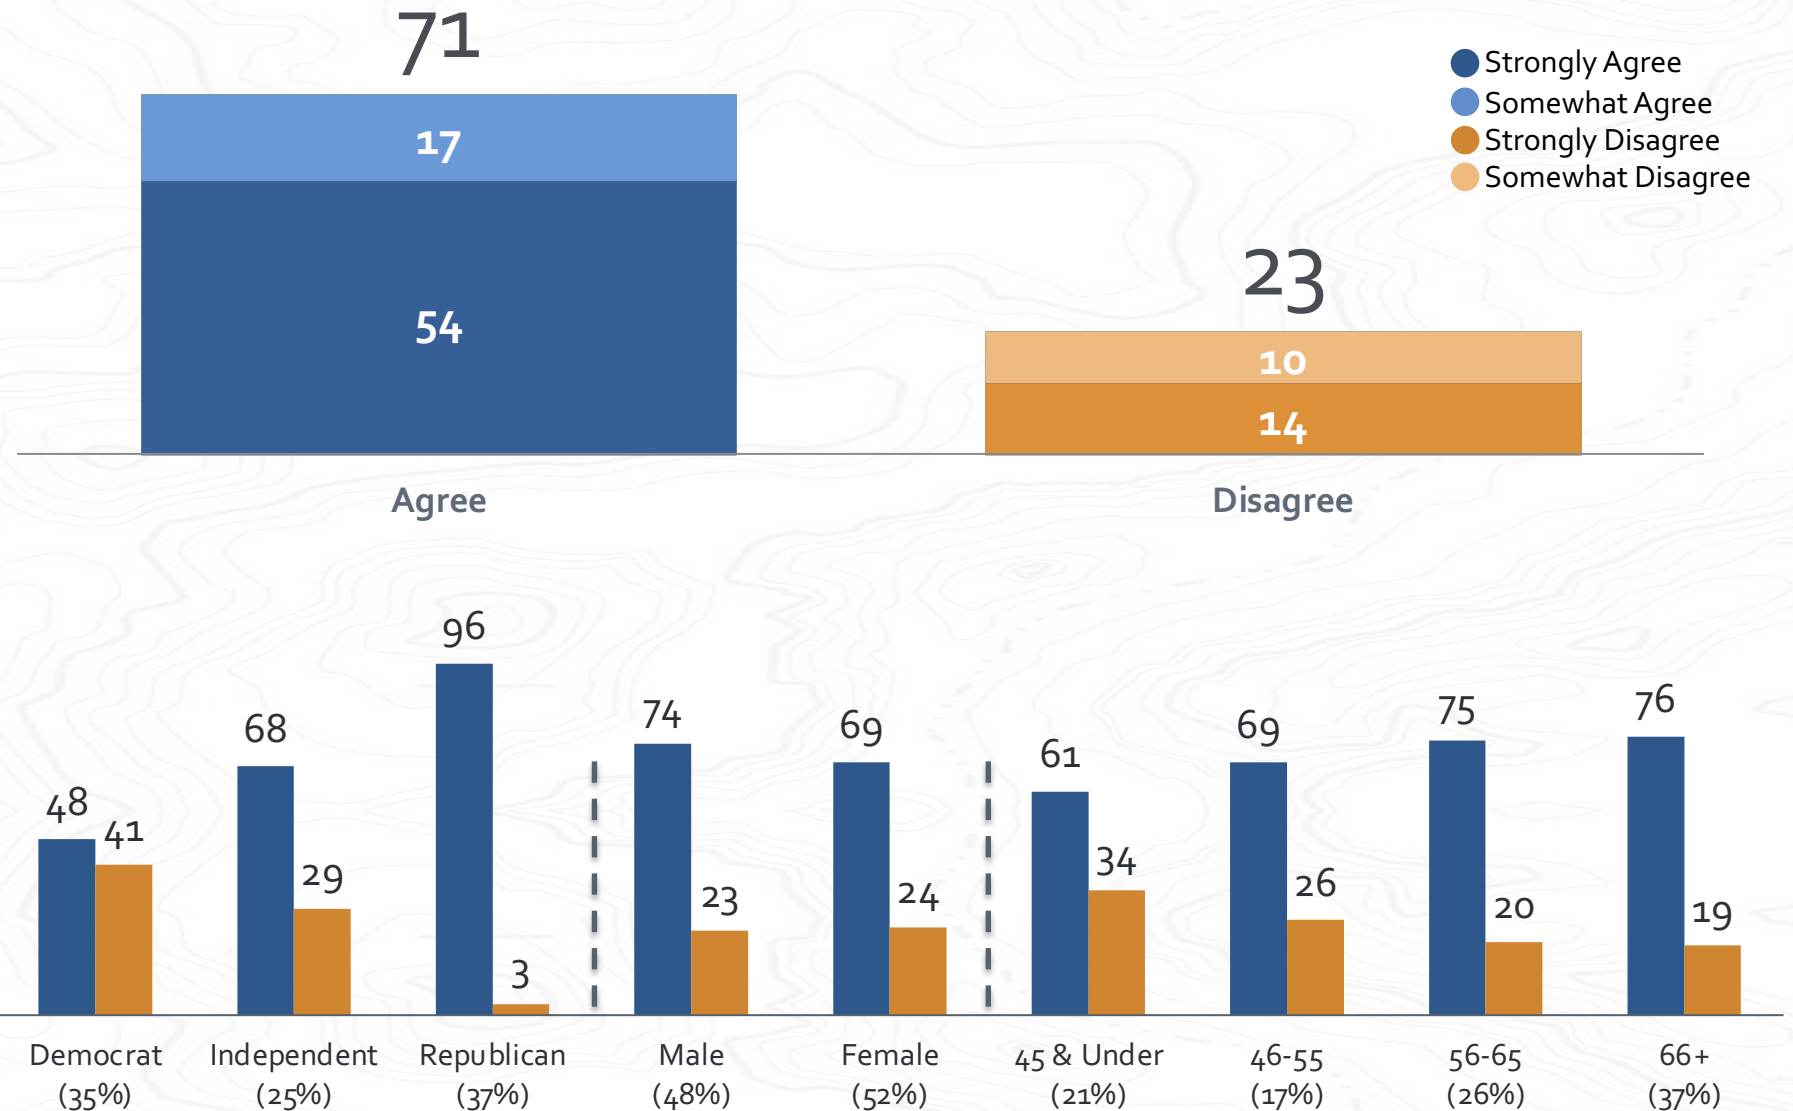

BUDGET PRIORITIES

How important is it to you that the next Congress secures the border, lowers inflation, extends tax cuts, gets Americans back to work, and reduces the federal government to pre-COVID size in its first year?

BUDGET PRIORITIES IMPORTANCE

Thinking again about the congressional budgetary agenda, please tell me if you agree or disagree with the following statement:
 “Congress has taken too long to secure the border, restore our economy, and get people into the workforce. It must make those our budget priorities next year.”
